Located at Madison Wisconsin.
THIS COMPANY CONTINUES TO TAKE RISKS upon Farm Property only, consisting of buildings of all kinds, (belonging to farmers,) household furniture, grain in barns, live stock, &c., from one to five years, at lower rates than most other responsible Companies.
All losses promptly paid at the office as soon as proof is made thereof.
Would it not be for the interest of the farmers to insure themselves, their property being less hazardous than any other, consequently you will have no losses, and your own of the same class, and all will be on an equal footing.
Experience has shown that two thirds if not three fourths of all the fires that occur are upon stores, taverns, mills, shops and such like property. In this Company all such property is rejected positively by [illegible].
Farmers, look to your own interest, and insure in a Farmers' Company.
We have been doing business a little over three years, and we have not been obliged to assess our premium notes, and for the last fourteen months we have not had a single dollar loss, though doing a large and prosperous business, which we believe to be without a parallel in the history of Insurance.
The best of references given as to the responsibility of the Company.

Every person insured is a member of the Company, and entitled to one vote. The cost of Insurance does not exceed one-third as much as in Stock Companies, saying nothing of the increased security and the incomparable ease with which losses are settled. DR. J. B. MARCHISI'S
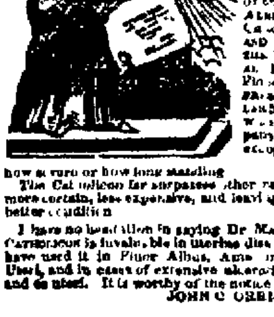
CELEBRATED CATHOLICON,
For the Relief and Cure of Suffering Females.



IT STANDS PREEMINENT for its curative powers in all the diseases for which it is recommended, usually called
Female Complaints.
Of these are Prolapsus Uteri, or Falling of the Womb; Fluor Albus, or Whites; Chronic Inflammation and Ulceration of the Womb; Incidental Hemorrhage or Flooding, Painful, Suppressed and Irregular Menstruation, &c., with all their accompanying evils, (cancer excepted,) no matter how severe or how long standing.
The Catholicon far surpasses other remedies, in being more certain, less expensive, and leaving the system in better condition.
I have no hesitation in saying Dr. Marchisi's Uterine Catholicon is invaluable in the diseases generally. I have used it in Fluor Albus, Amenorrhea, Prolapsus Uteri, and in cases of extensive ulceration of the vagina and os uteri. It is worthy of the notice of the Faculty.
JOHN C. ORRICK, M. D.
Baltimore Md.
The Catholicon is doing good service here. [illegible] patients that have tried the medicine have been benefited but one—and that one nothing will help.
Truly Yours,
WM. LAIRD HAZLETT, M. D.,
July 6th, 1854 New Philadelphia, Ohio.
I must say, from my own experience and personal observations in my practice, it has proved to be the best and safest remedy for the difficulties for which it is recommended, viz, that of female weakness, such as Prolapsus Uteri, Fluor Albus and all irregular and painful menstruation, and diseases of irritation of the female organs.
D Y FOOTE, M D
Syracuse N Y.
Those needing such a remedy should inquire for the merits of this medicine, and by calling at the store of the undersigned can obtain a pamphlet (free) containing ample proof, from the most respectable sources, of its beneficial results, together with letters from highly experienced Physicians, who have used it in their practice, and speak from their own observations.

OPPOSITION TO MONOPOLY.
Music at Greatly Reduced Rates
NOTWITHSTANDING the combination of music dealers to keep up the prices of non-copyright music, against the interests of native composers, and their refusal to extend to Mr. Waters the courtesies of the trade, he is making tremendous sales—having abundant evidence that he has public countenance and support in his opposition to the Great Monopoly, and in his efforts to aid Native Talent, and to adopt the National Currency. He has also made a Great Reduction in the prices of Pianos, Melodeons, and Musical Instruments of all kinds. THIS COMPANY CONTINUES TO TAKE RISKS upon Farm Property only, consisting of buildings of all kinds, (belonging to farmers,) household furniture, grain in barns, live stock, &c., from one to five years, at lower rates than most other responsible Companies.
All losses promptly paid at the office as soon as proof is made thereof.
Would it not be for the interest of the farmers to insure themselves, their property being less hazardous than any other class, consequently you will have no losses, only your own of the same class, and all will be on an equal footing.
Experience has shown that two thirds if not three fourths of all the fires that occur are upon stores, taverns, mills, shops and such like property. In this Company, all such property is rejected positively by taking farm alone.
Farmers, look to your own interest, and insure in a Farmers' Company.
We have been doing business a little over three years, and we have not been obliged to assess our premium notes, and for the last fourteen months we have not had a single dollar loss, though doing a large and prosperous business, which we believe to be without a parallel in the history of Insurance.

DR. J. B. MARCHISI'S
CELEBRATED CATHOLICON,
For the Relief and Cure of Suffering Females.

IT STANDS PRE-EMINENT for its curative powers in all the diseases for which it is recommended, usually called Female Complaints.
Of these are Prolapsus Uteri, or Falling of the Womb; Fluor Albus, or Whites; Chronic Inflammation, and Ulceration of the Womb; Incidental Hemorrhage, or Flooding; Painful, Suppressed and Irregular Menstruation, &c., with all their accompanying evils, (Cancer excepted,) no matter how severe or how long standing.
The Catholicon far surpasses other remedies, in being more certain, less expensive, and leaving the system in better condition.
I have no hesitation in saying Dr. Marchisi's Uterine Catholicon is invaluable in uterine diseases generally. I have used it in Fluor Albus, Amenorrhea, Prolapsus Uteri, and in cases of extensive ulceration of the vagina and os uteri. It is worthy of the notice of the Faculty.

I must say, from my own experience and personal observations in my practice, it has proved to be the safest and surest remedy for the difficulties for which it is recommended, viz. that of female weakness, such as Prolapsus Uteri, Fluor Albus and all irregular and painful menstruation, and diseases of irritation of the female organs.

Arrival of the Atlantic!

The long-expected steamer *Atlantic* arrived off Sandy Hook, New York, yesterday morning, with a week's later dates from Europe, and at 10 A. M. the leading features of her news were received at the *Sentinel* office and immediately issued in an extra. She brings interesting and important intelligence. The news of the Czar's death is confirmed. His eldest son, ALEXANDER, succeeds to the throne and announces that he will follow in his father's footsteps. The Allies are taking vigorous measures to push on the war. Prussia has been excluded from the Vienna Conference, no doubt because of her hesitation to side with the Western Powers. There is a rumor that the Russian Grand Duke Michael, youngest son of the late Czar has been killed at Sebastopol. Private letters assert that there is no present hope of Peace. Breadstuffs were dull and [illegible] lower [illegible]. Consols had materially advanced.

A Good Day's Work.

The Assembly did a good day's work yesterday. They passed, by very strong votes, the bill restoring capital punishment, and another Prohibitory Liquor Law, and the Senate, for want of a two-thirds vote, having failed to pass the bill repudiating the Lunatic Asylum contract over the Governor's veto, the Assembly put through another, 62 to 8(!) simply repealing the law of last year. Now let the Senate do as well to-day, and the State will be saved from the half million Lunatic Asylum swindle, and the Governor will have the opportunity, which [illegible] demands for him, of signing a "stringent, Prohibitory Liquor Law."

THE JUDICIAL ELECTION.

On Tuesday next, the electors of this State are to be called upon to choose an Associate Justice of the Supreme Court in place of Mr. Justice CRAWFORD, whose term expires in May. For this office two candidates are presented to the suffrages of the People—the present incumbent, and Mr. ORSAMUS COLE of Grant county. Neither of them is a [illegible] candidate or is supported upon party grounds. Judge CRAWFORD having been invited to become a candidate by a number of the gentlemen of the Bar and Mr. COLE by many members of the Legislature. Both candidates are well spoken of by friends and opponents, and for once we are to have a judicial contest in this State in a great degree free from that spirit of personal detraction and political strife which has characterized too many of our previous elections.

We have already indicated our preference for Mr. COLE. It is founded upon an intimate acquaintance with that gentleman, and a sincere conviction that he is the fitter man for the Supreme Bench. Mr. COLE, in our judgment, has more qualifications for this responsible station.—He is a gentleman of thorough education, a lawyer of extensive reading and long practice, and a man of unblemished reputation, temperate and industrious habits and personal integrity. He possesses, too, a clear head, a fund of common-sense, and a well-balanced, logical and discriminating mind. In point of learning, ability and character, Mr. COLE would be an accession and an ornament to the Supreme Court of the State. Such are the grounds on which we found our preference for Mr. COLE, over Mr. CRAWFORD.—Another, and not less cogent, reason may be mentioned—that Mr. COLE's sentiments and sympathies are for Freedom and Northern Rights while those of Mr. CRAWFORD incline him to lean the other way.

Some of the democratic papers which support Mr. CRAWFORD think it smacks of proscription in the Republican journals and voters to oppose his re-election. We cannot view it in this light.—The expiration of Mr. CRAWFORD's term leaves his office of Judge vacant. It is for the People to fill the vacancy with the best man that offers. The incumbent has no prescriptive title to the place. There is just as much proscription, therefore, in opposing Mr. COLE, because he deems the Fugitive Slave Act to be unconstitutional and void, as there is in opposing Mr. CRAWFORD, for holding it to be Constitutional and of binding force. This question is brought into the canvass by the force of circumstances. Our whole State is deeply interested in its decision. It is one of those fundamental questions of Popular Rights which far transcend in importance those ordinary matters affecting persons or property which usually engross the attention of our State tribunals. Under the Fugitive Slave Act, as interpreted and administered by the Federal Courts, we have seen Justice outraged, Personal Liberty and Personal Rights trampled upon, and the plainest principles of Common Law set at defiance. From a defective indictment, a wrongful verdict, a packed jury, or a corrupt and tyrannical Judge in the U. S. District Court there is no redress, no appeal, no help, if not at the hands of our Supreme Court. That Court has shown a determination to interpose its authority for the protection of the Rights and Liberties of our citizens. The decision which it has made comes up for review before the tribunal of THE PEOPLE on Tuesday next. Whatever influences may affect or control the result, it is already clear that the re-election of Mr. CRAWFORD will be hailed as a *quasi* endorsement of the Fugitive Slave Act and a triumph for those who uphold that iniquitous measure, while the success of Mr. COLE will be a victory for Right, Justice and Freedom. Let the Electors of Wisconsin bear this in mind and govern themselves accordingly.

RESCUE TRIALS FUND.—Mr. E. D. HOLTON, Treasurer of the Committee, acknowledges the receipt of $[illegible] for the Fund to defray the expenses of the Rescue Trials. This is still far short of the amount required, and additional contributions will be gladly received.

NEW HAMPSHIRE—CONGRESSIONAL VOTE.—We have heretofore stated that the Nebraska and anti-Nebraska issue was fairly made in New Hampshire, at the recent election for members of Congress—there being but two sets of candidates in the field, Administration and Opposition. The following is the vote in all but 17 small towns:

1st Dist.	Pike (O.,)	12,719	Kittredge (Adm)	9,741
2d Dist.	Tappan "	13,745	Morrison "	8,606
3d Dist.	Cragin "	12,446	Wheeler "	8,207
		38,7[illegible]		26,554

The Opposition candidates received heavy majorities in all three Districts and the aggregate majority in the whole State against Pierce and Nebraska exceeds *Twelve Thousand!*

HORICON, DODGE COUNTY.—We copy from the *Horicon Argus* this morning an interesting description of Horicon, one of the busy, thriving and growing villages with which Dodge County abounds. There are in that County, and indeed in almost every Co. of our State opportunities for investment which would abundantly repay the most exacting capitalist, and homes and employment for thousands of industrious Mechanics, Farmers and Laborers. There is no State in the Union which offers such inducements and attractions to the frugal, temperate and industrious emigrant, whether from the Old, or New World, and whatever his circumstances and calling, as does Wisconsin.—And it is the spreading knowledge and growing appreciation of this fact which is swelling, year by year, the tide of Immigration pouring into our borders.

From Madison.

EDITORIAL CORRESPONDENCE OF THE SENTINEL.

Monday's Proceedings—Three Vetoes in one Day!

By Mr. Giles, of Dane Co. Supervisors concerning use of money received for licenses.

The Assembly bill for an Investigating Committee was made the special order for to-morrow (Tuesday.)

A Message from the Governor was received vetoing a bill amending the charter of Janesville on the ground that it conferred authority to prohibiting the sale of liquor, and thus violated personal rights. The vote on passing the bill notwithstanding the veto was:

Ayes, Adams, Bashford, Clement, Cobb, Giles, Harvey, Loy, Sutherland, Taylor, West, Worthington—11.

Noes, Bowen, Dewey, Eldridge, Gibson, Gill, Hadley, Howell, Reymert, Rolfe—9.

By Mr Sutherland, vacating part of plat of Edgarton.

By Mr Bowen, appropriating to J Halpin $328 (salary)

By Mr Clement, amending sec 54 chapter 24, R S—provide against purchase of lands by clerks in school land office—rules suspended and bill *passed*.

By Mr Giles, to suppress drunkenness in the State of Wisconsin.

By Mr Bowen, appropriating $213 to J N Jones—*passed*

ASSEMBLY;

No petitions;

Bills introduced;

By Mr O'Neil, *to cede jurisdiction over certain lands in Milwaukee* (The Senate made a general bill of one which has already passed, and this is introduced to supply the place.)

By Mr P H Smith, charter of Appleton Hotel Co.

By Mr Gary, to repeal the law providing for a *Documentary History*.

By Mr Gary, *to prohibit the sale of intoxicating liquors as a beverage.*

By Mr Gary, for a state road.

By Mr W R Taylor, authorizing pre-emptions on swamp and overflowed lands.

The list of bills passed is sent.

The Assembly went into Committee of the Whole, Mr. Stevens in the chair, but shortly after commencing operations, was interrupted by a Message from the Governor, with a veto of the bill appropriating to Rufus King and Co. for Supreme Court Reports. (The Message has not yet been read, but the reasons are, doubtless, that R. K. & Co. do not belong to the right party.)

Coming to the bottom of the file, and reaching No. 505 being the bill introduced by Mr. Gary this morning—the new Temperance Bill, Mr Hull moved to rise and report the bill back, with the recommendation that it be printed.

Mr. Gary said that the bill, with the exception of slight alterations in writing was the bill as printed in the papers of this place, and could be seen at any time. All of the features which were objectionable to the Governor was struck out.—If the Governor had said that the prohibitory principle was unconstitutional, he should not have introduced this bill, but the people demand a Prohibitory Law, and he believed it to be the duty of members to provide one. *This* bill was a clean Prohibitory bill.

Mr. Hull was still anxious to have the bill printed, and promised to make no factious opposition to its consideration at a proper time.

Mr. Gary thought that so near the end of the Session, there was no time so proper as now, and added that but for the *scene of Saturday*, the bill would have been printed and now on the desks of members.

Mr. Hull asked whether the gentleman thought that the bill could be got through any sooner by crowding it now? to which Mr. Gary replied that if gentlemen were disposed to prevent legislation, they might take the responsibility.

Mr. Welch moved to report the bill back, recommending its passage. He hoped that by urging the bill forward, the business might be got through this week.

Mr. Parker moved to amend the bill by prohibiting the manufacture of liquor. On this proposition a debate of some length ensued, Mr. Parker insisting on it, and instancing a distillery at Ripon as a nuisance to the community, while Messrs Gary and Welch urged that if the sale was prohibited, the manufacture would not continue, since there would be no market.

Mr. Ebbetts protested against the unusual course of not having the bill read.

Mr. Welch said that he would withdraw his motion if that was all that was wanted.

Mr. Ross said that he should stand up here for a *prohibitory* law, as was demanded by his constituents. He was satisfied with his own vote against the other law, and believed that many who voted for it were mortified that they had done so. He was ready to vote to-day for a [illegible] law. He favored Mr. Parker's amendment.

The amendment was lost.

Several motions to have the Committee rise, varied in form, were now made by Messrs. P. H. Smith and Hull, and lost, and finally Mr. Stevens, the Chairman, refusing to listen to a call for a division on the question of *rising*, brought the Assembly out of Committee.

Mr. Ebbetts moved to adjourn—lost.

Mr. Gary moved to make the Temperance bill the special order for this afternoon—*carried*—Adjourned.

2½ P. M.—Mr. Gary moved to take up the bill.

Mr. Cross raised a point of order that where there were two special orders, they must be taken up in the order of precedence. He read from Cushing's Manual. The Speaker decided to the *contrary*, and quoted Jefferson's Manual, which is the authority recognized by the rules.

Mr. Rose moved to amend by proceeding to the orders of the day.

Mr. Vilas made a speech *in favor of doing* something else than what the majority evidently desired. I could not exactly make out what the gentleman did want.

Mr. Rose thought the other special order, the *Capital* Punishment bill—ought to be taken up. He would be willing to lay it aside, if it elicited much debate.

Mr. Ebbetts moved to go into Committee of the whole on the orders. *Mr. Gary said that he* believed the object to be to occupy the afternoon on the Capital Punishment bill, and moved to lay it on the table. *Carried.* Mr. Hull moved a call of the House, which was sustained. Mr. Gary moved to suspend proceedings under the call.—There were 36 in favor—not two-thirds—and a fair prospect for another "lively time."

(Pending the call, Messrs. Goodall, O'Neill, and Welch were announced as the Committee on the part of the House to confer with Mr. Proudfit.)

After a while, the better judgment of some of the members prevailed, and Mr. Hull moved to suspend proceedings under the call. *Carried*, and the House went into Committee. Both bills were read through, and some trifling amendments made to the Temperance Bill. (The *veto of the bill repealing the Lunatic Asylum Law* was received at this stage.)

On rising from Committee, the bill *restoring* Capital Punishment was carried, 44 to 27.

The amendments to the Temperance Bill were concurred in, and the bill ordered engrossed, by the following vote:

AYES—Adams, Bond, Cary, Chase, Cole, Colley, Davis, Downs, Field, Filer, Gary, Goodrich, Goodall, H Grant, W. Grant, Gunn, Harrington, Hooper, Howard, Isham, Judson, Kirkpatrick, Lee, Love, Martin, Merriam, Merrill, Parker, Pratt, Randall, Ross, Sherman, P H. Smith, A. Taylor, W R. Taylor, Townsend, Topliff, Wakely, Warren, Welch, Whirry, Williston, Sholes—43

NOES—Barns, Bennett, Blaisor, Boyd, Cross, Delany, DeWolf, Earnest, Ebbetts, Falvey, Gibb, Griffin, Hull, Juneau, Lavis, O'Neil, Ramsey, Ribble, Rusr, Schwefel, B. Smith, Stevens, Thompson, Vilas, White—25.

On motion of P. H. Smith, the Veto Messages were taken up. First came the one *directed* at R King & Co. Being read, it was found that the objections were partly to the quantity of books to be purchased, and the consequent expense; but not so much to this as to the fact that the bill, as amended in Senate, by the Governor's friends, require the 2d volume to contain only two terms, the fact being that this brings the reports in the *two* volumes full for *two* years, except about a week! The Governor's *love of economy* is shocked at this extravagance, and he can't go it, any way.

On motion of Mr. Hull, the consideration of the Message was postponed till to-morrow afternoon.

The Veto of the Lunatic Asylum bill was next read. The objections are that a Lunatic Asylum is very necessary—that the State, by the *sale of the Swamp lands* has abundant means to build it—that because they knew this, the Commissioners had made and the Governor approved the contract—that the Governor has no reliable evidence that the building will cost any such great sum as reported, &c., &c. Also that the bill repudiates the contract and don't provide for taking care of the property—and that the bill was passed hastily and without consideration.

Mr. Rose moved to defer the consideration of the Message till to-morrow afternoon, (afterwards morning).

Mr. Gary opposed the postponement, and urged the necessity of acting at once, so that if this bill could not become a law, another might be provided.

Mr. Hull said he had opposed the *concurrence* in the amendment of the Senate, as he thought it made the bill unconstitutional, and should sustain the vote.

(*It is worthy of remark that the Governor does not find any such objection to the bill.*)

Mr. Stevens, while declaring that he should sustain the veto, was very anxious that the vote should be postponed, and his remarks drew out from Mr. Gary some others to the effect that this proposition to sell the swamp lands was constantly pressed upon the Legislature and this before the State has any title.

Mr. Sherman, who had voted against the bill before, said that he should now vote for it.

Mr. Randall thought it important that the vote should be taken at once. The state has no means to go on with the Asylum, at *any estimate* yet made.

Messrs O'Niell and Bond stated that they had *voted for* the bill as it first passed the Assembly, but against the Senate's amendment, and they *should feel constrained* still to oppose bill.

Mr. Bennett advocated the necessity of taking the vote at once.

Mr. Rose said that he considered a Veto Message from the Governor worthy of *respectful consideration*. He should vote to sustain the Veto, if compelled to vote now.

Mr. P. H Smith said that he should vote for the bill, notwithstanding the Veto. The Governor *does not* pretend that it is unconstitutional, and he (Mr. S.) could not see how any one could pretend that it was so. The reasons given by the Governor would weigh equally against *any* bill repealing the law of last winter. He tho't that law ought to be repealed, since it left the Governor power to go on and appoint three Commissioners, to carry on this job. The proposed building—half a mile around, almost—was enormously disproportioned to the wants of the State, and to its abilities; and a law *should* be passed, giving the contractor notice *that* the Legislature repudiates the contract.

The bill *passed, notwithstanding the Veto,* as follows:

AYES—*Adams, Allen, Bennett, Blaisor, Cary, Chase, Cole, Colley, Davis, Delany*, DeWolf, Downs, *Field, Filer, Gary*, Gibb, Goodrich, Goodall, *H. Grant, W. Grant, Gunn Harrington Hollenbeck, Hooper, Howard, Isham, Judson, Kirkpatrick Lee, Love, Merriam, Parker, Pratt*, RANDALL, Ramsey, *Sherman*, P. H Smith, *A. Taylor, W. R. Taylor, Townsend, Topliff*, VanNorstrand, *Vilas, Wakely, Warren, Welch*, Whirry, *Williston, Sholes*—49.

NOES—Barns, Bond, Cross, Earnest, Ebbetts, Falvey, Griffin, Hull, Juneau, Lavis, Martin, *Merrill* O'Neill, Ribble, Ross Ruan, Schwefel, B. Smith, Stevens, Thompson, White—21.

This good work done, the Assembly adjourned.

Abstract of Tuesday's Proceedings.

MADISON, March 27.

SENATE—Bills passed:

Appropriating to J. Halpin, $128.

Appropriating to John White.

The Veto of the Lunatic Asylum Bill was taken up. The whole morning was occupied upon the subject. Messrs. Bowen, *McGarry, Hadley*, Eldridge and others, declared that they should sustain the veto. The vote stood, on passing the *bill notwithstanding* the Veto:

AYES—*Adams, Bashford, Clement, Cobb*, Gill, *Giles, Harvey*, Loy, *Paddock* Rolfe, *Sutherland, Taylor*, Wakely, *West, Worthington*—15,

NOES—Bowen, Dewey, Eldridge, Gibson, Hadley, Howell, Kelsey, McGarry, Reymert—9.

Mr. Eldridge introduced a new bill on the subject.

ASSEMBLY—Messrs. Lee and Gary, on a question of privilege, protested against being praised by the *Democrat*. Mr. Bennet also corrected a misrepresentation.

The Assembly refused, 32 to 39, to take up bill to pay Prof. Daniels, at the wish of its enemies.

Mr. Ebbetts resolution to adjourn next Monday *was indefinitely postponed*, 35 to 33.

Bills passed:

Amending charter of Janesville.

Authorizing J. L. V. Thomas to build a dam.

Vacating part of plat of Edgerton.

It being understood that the Lunatic Asylum Bill would not pass the Senate by two-thirds, another, simply repealing the law of '54, was introduced, and passed, 62 to 8.

The new Temperance bill passed, 43 to 25.

Providing for pre-emption on swamp lands for agricultural purposes, passed.

Adj to 2 1-2 P. M.

ANOTHER "LIQUOR BILL" VETOED.—On Monday the Governor vetoed a bill amending the Janesville City Charter, so as to prohibit the *granting* of licences to sell liquor. The Madison *Journal* says:

Janesville voted on the question of a prohibitory law and cast only *ten votes against* it. Her citizens desired this bill, but anything restricting free trade in liquor cannot be sanctioned by this Executive. A majority of the Senate voted *to sustain* the bill, but not the two-thirds requisite to pass it over the veto.

RUMORED ARREST.—We understand that an officer from Indiana, having a requisition from the Governor of that State for a Mr. ———, who has been engaged in banking business in one or two places in this State, passed thro' here a day or two since, on his way to Madison. The crime charged is larceny, and ———, we learn was arrested in Janesville and taken back to Indiana to undergo an examination.

Proposals for Building our Custom-House.

Secretary GUTHRIE invites proposals until the 6th day of June, 1855, at 12 M., for the construction of the Custom House in this city, according to the plans and specifications prepared by the Treasury Department. The proposals may be for the whole building, or separate for the different kinds of work. *Plans, specifications* and working drawings may be examined on and after the 28th of April, and all desired information about the work obtained, on application to the Treasury Department at Washington, or at the Collector's Office in Milwaukee.

MR. LETCHER, OF VIRGINIA.—The *News* says that this gentleman is a candidate for re election from the 'Tenth Legion' of Virginia, and takes the occasion to pay him a high and not undeserved compliment for his ability, integrity and unyielding and effective opposition, in the last *Congress*, to the *designs of* the Land-Grabbers. Lest, however, Mr. LETCHER should be prejudiced in the eyes of his intelligent constituency by a word of praise from a *northern paper*, the *News* 'explains' in this wise:

"The expression of an earnest hope for the re-election of *Mr. Letcher, coming so far north of* Mason's line, might perhaps do him *more harm than good* in Virginia, were it not understood that it comes from a press that has never been tainted with Abolitionism, and that has never lost an opportunity to denounce its latest phase of nullification."

We do not think that the People of Virginia will feel particularly flattered by this explanation, or think any the more of the compliment to Mr. LETCHER, because the paper which pays it feels under the necessity of adding that, though published at the North, it does not sympathise with the prevalent Northern feeling on the great issue of the day.

OUR AFFAIRS WITH SPAIN.—It is stated by *The Union*, and confirmed by *The Evening Post*, that the differences between the American and Spanish Governments, with reference to the Black Warrior affair, are now arranged, Spain having agreed to the view of the matter taken by Mr. Marcy, and promised to make all the reparation demanded.

The *Post* intimates that this affair would have been settled long ago, had not Mr. SOULE *withheld* an important despatch of Secretary MARCY's in order to keep alive the quarrel with an eye to Cuba.

COUNTY OFFICERS.—The Supreme Court decided, on Tuesday last, that Mr. Robinson was elected Sheriff, instead of Mr. Higby, and Mr. Vaughn Clerk of the Court, instead of Mr. Delany. This decision is just. The person who receives the largest number of votes for any office, should never be deprived of such office by any trifling informalities in the returns which town officers may chance to *make*. The precedent which the Court has established in this case is a righteous one.—[Portage City *Independent*.

The Supreme Court, in this decision, have done justice between the parties, confirmed the expressed will of the people and given effect to that wise provision of our Statutes which declares (chap. 6, sec. 95) that the person receiving "a plurality of the legal votes cast at any election" shall be entitled to the certificate of the canvassers, notwithstanding any technical defects in conducting the election, or canvassing the votes, "so "that the *real will* of the plurality may not be "defeated by any informality."

☞ There is a *movement on foot* by a goodly number of our citizens to present to Mr. Rugee, the bridge contractor, some fitting *testimonial* of their appreciation of the faithful manner in which he has executed his contract, in spite of all the discouraging circumstances that have crowded upon him. The movement is a good one. Mr. R. will leave with us a monument of his skill as an architect, and a general respect among our *citizens for* his energy, probity and gentlemanly bearing. We regret that our article descriptive of the Bridge, is *again necessarily deferred*.—[Port Huron Observer.

Mr. RUGEE is one of our best Mechanics. He is of the firm of MARTIN & RUGEE, and is making his mark, abroad as well as at home.

Horicon; Its Advantages & Prospects.

We publish in this number a map of the County of Dodge, showing the location of the different towns, villages, railroads, &c. The population of the County must at this time be in the neighborhood of *thirty thousand*, one of the highest in the State. It has about 3 500 improved farms, nearly equally divided between prairie and timber, and there are probably 150,000 acres under improvements. That part of the County east of Rock River and Lake Horicon is heavily timbered, while the remaining portion is prairie and openings.

An inspection of the map will show that the County is well watered, and has many excellent water powers, most of which are improved. The County abounds in resources of all kinds. Its agricultural resources are not surpassed in this State, *all kinds of grain* are raised in large quantities and of good quality. All kinds of stock do well.

The immense deposits of Iron Ore at Iron Ridge is one of the most remarkable in the North West. It lies within a mile of the Milwaukee and La Crosse Railroad, and fives miles from Horicon. It is being extensively manufactred into pig iron at Mayville, and from recent experiments made at the *Horicon Forge* there is but little doubt that bar iron of first rate quality can be manufactured directly from the ore.

Pine lumber is now being manufactured in large quantities at Horicon, from logs brought from the pineries on the Wolf River, and its tributaries.

The map shows the location of the Village of Horicon, on the Rock River, at the outlet of Lake Horicon, and at the junction of the Milwaukee and LaCrosse, and the Horicon and Berlin Railroads. Its location is near the center of the County, and at the focus of its great thoroughfares, which will be soon completed. The village is laid out on both sides of the river, on high, dry, and rolling ground, on the planting ground of one of the largest villages of the Winnebago Indians, their name for it was Parachera, meaning fire village. Indian mounds of various size and shape line both banks of the river, and ridge of land on the east of the village.

The lake stretches away to the north, belted with heavy woodlands on the east, and with openings on the west. Headlands, sloping gently, alternate with deep indenting coves. Several picturesque islands present themselves upon the bosom of the lake.

Immediately on the east of the village the land rises to a sufficient height to overlook the valley of the river, the whole sweep of the lake, and the opening and prairie country stretching away to the west like a vast champaign in Mosaic.

The population of the village is about 700, and rapidly increasing, the village doubled in size and population during the last year.

We have two churches, nearly completed.—There are several dry-good stores, drug store, hardware store, two waggon and carriage shops, three blacksmith's, harness shops, and other trades.—The water power here is one of the best in the State, having eight feet head, with Rock River and its branches for a supply, and Lake Horicon for a reservoir. There is a grist mill, a saw mill with two saws, and wood turning machine, and one forge for manufacturing bar iron from scrap and ore. A siding and planing mill is in the process of erection.

The Railroad from Milwaukee is under contract to this place, and is to be in *running* order by the first of September next. The road is already nearly graded, a large proportion of the iron is already purchased, and the track laid for some miles out of Milwaukee, and when the road reaches here it cannot fail to produce a very large amount of business, being surrounded by a *large country*, as we are the productions of which will seek a natural outlet here.

We want capital to develope our great resources.

We want flouring mills, wool carding & cloth dressing machinery, a furnace and Machine shop. There is no kind of manufacturing business but what would pay well. There is a great demand for tenements to rent, and houses erected for that purpose would be good investments. We need a first class hotel, no place in the State offers better inducements for such a project. Building lots can be *had at reasonable prices*. On the whole there is no place in Wisconsin, which, at the present time, offers greater inducements for capitalists, mechanics, manufacturers and tradesmen than Horicon.—[Horicon Argus.

Rejoicings over the Veto—Torch light *Procession—Governor Barstow called out—Meeting of the Faithful at Doerschlag's—Speeches—Cheers for "Barstow and the Balance"—Groans for the "Shanghais," and a great time generally.*

"Whom the gods wish to destroy they first make mad."

The rummies had a great jollification Saturday night over the veto of the liquor law. We have space only for a brief statement of the proceedings. Bonfires were kindled early in the evening *in front of the Argus and Democrat* office, at the corner of the American House, and in front of Doerschlag's. A torch light *procession* was arranged which proceeded to the Capitol, yelled a while in the ears of the Assembly, which was still holding its boisterous session, and then proceeded to Governor Barstow who, we understand came out and addressed them briefly.

A great crowd was gathered about the bonfire near Doerschlag's, whooping and yelling like drunken Indians. Marshal Brown attempted to disperse them but was unable. There were some pugilistic demonstrations among the crowd but nothing serious occurred. After the adjournment of the Assembly the faithful gathered into Doerschlag's, an extensive German saloon, where speeches were made by Messrs. Hull, Sat. Clark, Vilas, Ebbets Mayor Cross of Milwaukee and Senators Hadley Eldridge and others.

Mr. Hull, made one of his appeals to foreign voters, declaring that the only hope of the stability and perpetuity *of the Union* was in them and bearing down severely on the Know-Nothings. Cheers were given for "Barstow and the balance," and a toast drunk to "Wm. A. Barstow next Governor of Wisconsin," and three groans for the "Shanghais."

This we suppose is a foreshadowing of a contest *in* which the opposition hope to ignore all other issues and to be "borne on to fortune" upon a *tide of rum*. *The Republicans will make* no issue upon this question. Their principles are too broad and important to be laid aside on any such issue, and prohibition or anti-prohibibition will not be made a test of political orthodoxy by them. The Democracy having no other principles may organize on the whiskey issue. We trust they will, and a worse than Waterloo overthrow will scatter them to the four winds next November.—[*Madison Journal.*

THE DOCUMENTARY HISTORY OF WISCONSIN.—*Some two years since General* William R. Smith was pensioned upon the State as Historian, and publish a documentary *History of Wisconsin*.—Beriah Brown of Madison obtained the contract for printing some 5000 copies, at a cost already of some $13,000! and of course makes a very handsome speculation. We have barely *seen* one copy of the first volume, which is got up in the most miserable manner, both as respects paper, printing, and binding.—[Platteville American.

"BARE ASSERTIONS" AND PROOF.—The bare assertions and insinuations of the Shanghais about the dishonesty of the state officers amount to nothing, and are not deserving of the least consideration. In vestigate affairs, gentlemen Shanghais, and if these officers have swindled the state, show wherein, and *vice versa*, and the people will thank you for it.—[Sheboygan Journal.

Well, neighbor MILLS, what do you think of the "Showing wherein" on the Lunatic Swindle? Are you as one of the people, prepared to say "thank ye" to the Shanghais and Democrats who *have shown* up that stupendous fraud—to say nothing of the $20,000 Documentary nonsense, and numerous other stealings?—[Madison Patriot, (dem.)

AN ACT to suspend the sale of School and University Lands except for purposes of settlement and cultivation.

The People of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:

Section 1. Every person making application to purchase any portion of the School or University lands, or the agent or attorney of such person appointed by him in writing to make such application, shall be required to make affidavit before some officer authorized by law to administer oaths, and to file the same in the office of the *secretary of state, or deliver it* to the commissioners of school and university lands, that the applicant applies to purchase the lands therein described for his or her own use, and for the purpose of actual occupancy or cultivation, or for the use of an adjoining farm owned or occupied by said applicant; and it shall further state that the applicant does not own or hold in his own name, and that *no person owns or holds for his use*, any quantity of school or university lands which, together with those he applies to purchase, will not exceed three hundred and twenty acres; and unless such affidavit shall be made and filed, as delivered as aforesaid, the person applying shall not be allowed to purchase any portion of the lands described in his or her application; and every purchase of such lands not made *for the purpose of actual occupancy* or cultivation by the applicant, or exceeding the quantity above limited, shall be null and void: Provided, That no person shall purchase any pine lands without paying the whole of the purchase money at the time of the sale.

Sec. 2. There is hereby secured to every person now settled, or having improvements upon, or who may settle upon subsequent to the passage of this act, any tract of school or university lands, the pre-emption right to purchase any amount of land not exceeding one hundred and sixty acres, embracing such settlement or improvement, and to be selected by the claimant in legal subdivisions at the appraised value thereof exclusive of any improvement or settlement upon said lands by the person claiming the right of pre-emption thereto, or at the minimum price fixed by law; in case the lands shall be sold without appraisement said right of pre-emption to be proven up in the manner and subject to the conditions and provisions named in section two, of an act approved February fourth, eighteen hundred fifty-one, entitled "an act to amend an act entitled an act to provide for the appraisal and sale of school lands, and for granting pre-emption rights thereon," approved February ninth, eighteen hundred and fifty.

Sec. 3. The commissioners of school and university lands shall include in one certificate of sale, as many distinct lots or tracts of such lands hereafter purchased by any person at the same time, either at public sale or private entry as such purchasers may request, and only one account shall be kept with such purchaser for all the lots or tracts included in the same certificate.

Sec. 4. This act shall take effect from and after its passage.

Speaker of the Assembly.

Lt. Gov. and President of the Senate.

CITY MATTERS.

POLICE COURT.—March 27.

BEFORE CLINTON WALWORTH, ESQ., POLICE JUSTICE

A warrant was issued against Schmidtman, *alias*, for an assault and battery upon Obristopher Rienhardt, on the 26th March.

No examination has yet been had in the case of the two Germans, arrested more than a week since, for obtaining money under false pretences from William J. Bell & Co., Bankers, of this city.

Complaint was made against Wm. McGrath, charging him with assault with intent to kill his wife on the 24th March. A warrant was issued against the defendant who was already in jail.

WARNING TO BOYS.—Application was made to the Police Justice for warrants against three boys—sons of respectable people. The charge against them was that they had repeatedly committed offences against the premises of a lady who keeps a school on Biddle street. On Thursday last these boys broke open the door, spilled the ink on the desks and *committed other offensive acts*. The officers will be on the look out for them to-day.

OUR FIRE DEPARTMENT.—Those who feared that the harmony and efficiency of our Fire Department would suffer from the circumstances attending the recent election of Chief Engineer and Assistants, must have had these fears effectually quieted by the experience of Monday night. Our Firemen rallied promptly at the well known signal and turned out in as great strength and rendered as timely service as we have ever known them to do.

ATTEMPT TO OBTAIN MONEY UNDER FALSE PRETENCES.—A German presented himself at the counter of the People's Bank, Monday, and handing a depositor's book to the Clerk, asked for $150 which stood on the credit side. The clerk, suspecting fraud, asked the man if the book was his. He replied that it was. The Clerk then appealed to Mr. Greenleaf, who immediately sent for the man to whom the book and deposit really belonged. He came and stated that his book was kept in his trunk. On searching the other man a key was found which fitted this trunk. The two went off in company, which is the last we have heard of the matter. Under the regulations of the Bank, the proprietors would have been safe, had the attempt to get the money succeeded; since they are authorized to pay to any person presenting the book.

HINTS FOR THE COUNCIL.—The narrow escape from a destructive fire Monday night supplies two useful hints for the Common Council. One is, that no barns, sheds, or wooden buildings should be allowed in immediate juxtaposition to large and valuable blocks of brick stores—the other, that a passage way should be kept clear all along the river front of the stores on East Water Street, of sufficient width to admit of the engines being stationed and worked there. The Common Council should pass an Ordinance to meet both these cases, at once.

AUCTION SALE OF FANCY GOODS.—Mr. Rooney has a large Catalogue Sale of *Millinery*, Fancy and Domestic Dry Goods at his Auction Rooms this morning, commencing at 10 o'clock. Some excellent bargains will be offered.

THE ICE IN THE RIVER.—Some idea of the thickness and solidity of the ice in the river may be formed from the fact, that at the fire on Monday evening several of the heaviest engines in our Fire Department were run *directly* upon the river and stationed and worked for nearly an hour upon the ice, which seemed as firm and solid as rock.

☞ The *Traveller* arrived from Chicago yesterday afternoon, with 150 passengers, a large freight and two dray loads of mail matter. We learn from her officers that the vessel reported ashore near Waukegan was the *C. Walker* of Chicago. She was light and got off Monday evening without damage.

"FREE LIQUOR" CELEBRATION.—The friends of "Free Trade in Liquor" had a "lively time" last night. The principal dealers "came down" handsomely and furnished liberal supplies of fuel, powder, music, &c. With these helps, several bonfires were lit about the streets. The cannon thundered *long and loud*, and a procession largely made up of boys and torches, paraded thro' the city. A few seedy-looking characters in front, bore a banner assuring the public that "the *Sentinel* could not buy them with eight gallons." The *Sentinel* begs to observe that it did not see any man in the lot worth that price;—The leaders, apparently, were ashamed of the business, for they did'nt mix with the crowd.

FUN AT YOUNG'S HALL.—The negro minstrels, together with the celebrated danseuse, Miss Alika, continue to attract large crowds at Young's Hall. They perform again this evening. The price is 25 cents.

INTERESTING TO BOYS.—Some of the boys residing in the First Ward will find something interesting in the Police Court report.

MILWAUKEE, March 26.

Messrs. Editors:

Will you please to inform the public, through your paper, whether there is to be a Night Boat between here and Chicago. Also, when the Canal at Chicago will open, and oblige

AN ENQUIRER.

[We believe that a Night Boat is to be put on, as soon as the business warrants. The Chicago papers say that the Canal will be open in a few days.—Ed. Sentinel.]

ANOTHER QUIET SABBATH.—The Liquor Saloons were all kept closed *on* yesterday, as far as we could learn, and the city was orderly, peaceable and quiet all day *long*. *The people of Chicago* will never cease to be grateful to Mayor Boone for the decided stand which he has taken in this matter, and the firmness with which he enforces the laws.—(Chicago Tribune of Monday.

Cannot the *like* boon be extended to Milwaukee? What say our new Mayor and Common Council?

WALWORTH COUNTY INDEPENDENT.—Messrs. A. and E. B. FARNUM have disposed of their interest in the Walworth County *Independent* to Messrs. N. B. FISHER and E. J. FARNUM, by whom it will be conducted in future. The *Independent* is a sterling Republican paper and a staunch advocate of Freedom, Temperance and State Rights. Its new proprietors promise to add to its good looks and good qualities. We recommend it to our Merchants as an excellent advertising medium.

☞ The Madison *Democrat* desires us to correct our statement that the editor of that paper was the *Wisconsin's* semi-occasional *Madison* correspondent. It was a slip of the pen. "Sioux," the correspondent referred to, is tolerably well known to the public and press as the editor of the Waukesha *Plaindealer*, and not of the Madison *Democrat*.

☞ If the statements we see in many of the papers and the names of many highly respectable physicians and citizens of high standing attached to certificates of the good effects of a medicine can be relied on, it seems to us the height of incredulity to doubt for a moment the intrinsic virtues of the "MEXICAN MUSTANG LINIMENT." The fact is admitted by all, that it is the best external remedy ever discovered by the medical faculty; and that it is a certain cure for all kinds of Cutaneous diseases, both on man and beast. We cordially recommend it to any of our readers who are troubled with any of the diseases for which it is recommended.

HOLLOWAY'S OINTMENT.—A Miraculous Cure of Ulcerous Sores.—Augustus Cook, a compositor, in the office of one of the papers, published in Philadelphia, was afflicted for a long time with scrofulous sores on his arms and legs, his case in the end, became so desperate, that it appeared evident he must forsake his employment. A friend, however, persuaded him to use *Holloway's Ointment*, and to to take the Pills according to the printed directions, which he did. After a short time, he found himself considerably better, and by persevering with these remedies, in a few weeks he was completely cured, and is now able to work with renewed vigor.

The *Most Successful American* Book.

RUTH HALL:

A DOMESTIC TALE OF THE PRESENT TIME.

By FANNY FERN

400 pp., 12mo. Cloth. Price, $1,25.

IT HAS BEEN RESERVED TO THIS DISTINGUISHED authoress to achieve what may, under the circumstances, be regarded as the most brilliant success ever obtained by an American writer of fiction. "RUTH HALL," her first continuous story, though deriving no interest or popularity from connection with any of those vexed questions which agitate the public mind, has, in the two months since its first appearance, reached a greatly larger sale than any other American work of fiction whatever within the same period. This extraordinary fact is, of itself, abundant evidence of the absorbing interest and graphic power of this remarkable work. We have in our possession several hundred reviews of "RUTH HALL," which have already appeared in the principal newspapers and periodicals. Nearly all of these pronounce it emphatically a work of genius, many predicting for it the largest sale of any American book, and devoting whole columns to its eulogism, while we have seen but a very few (not twelve in all) which deny its singular fascination.

"RUTH HALL" is for sale by Booksellers generally.

JUDICIAL ELECTION,
Tuesday, April 3.
For Associate Justice of the Supreme Court,
ORSAMUS COLE.

☞ S. W. [illegible] is our only authorized traveling agent to receive subscriptions, collect moneys, &c. and receipt for the same. RUFUS KING & CO.
March 6, 1855.

Arrival of the Atlantic!

The long-expected steamer *Atlantic* arrived off [illegible] at New York, yesterday *morning*, with a week's later dates from Europe, and at 10 A. M. the leading features of her news were received at the *Sentinel* office and immediately issued in an extra. She brings interesting and important intelligence. The news of the Czar's death is confirmed. His eldest son, ALEXANDER, succeeds to the throne and announces that he will follow in his father's footsteps. The Allies are taking vigorous measures to push on the war. Prussia has been excluded from the Vienna Conference, no doubt because of her hesitation to side with the Western Powers. There is a rumor that the Russian Grand Duke Michael, youngest son of the late Czar has been killed at Sebastopol. Private letters assert that there is no present hope of Peace. Breadstuffs were dull and [illegible]. Consols had materially advanced.

A Good Day's work.

The Assembly did a good day's work yesterday. They passed, by very strong votes, the bill restoring capital punishment, and another Prohibitory Liquor Law, and the Senate, for lack of a two-thirds vote, having failed to pass the bill repudiating the Lunatic Asylum contract over the Governor's veto, the Assembly passed another, 62 to 8(!) simply *repealing* the law of last year. Now let the Senate do as well to-day, and the State will be saved from the half million Lunatic Asylum swindle, and the Governor will have the opportunity, which [illegible] for him, of signing a "*strong*, Prohibitory Liquor Law."

THE JUDICIAL ELECTION.

On Tuesday next the electors of this State are to be called upon to choose an Associate Justice of the Supreme Court in place of Mr. Justice CRAWFORD whose term expires in May. For this office two candidates are presented to the suffrages of the People—the present incumbent, and Mr. ORSAMUS COLE of Grant county. Neither of them is a party candidate, nor is supported upon party grounds—Judge CRAWFORD having been invited to become a candidate by a number of the gentlemen of the Bar and Mr. COLE by many members of the Legislature. Both candidates are well spoken of by friends and opponents, and for once we are to have a judicial contest in this State in a great degree *free from* that spirit of personal detraction and political strife which has characterized too many of our previous elections.

We have already indicated our *preference for* Mr. COLE. It is founded upon an intimate acquaintance with that gentleman, and a sincere conviction that he is the fitter man for the Supreme Bench. Mr. COLE in our judgment, has more qualifications for this responsible station.—He is a gentleman of thorough education, a lawyer of extensive *reading and long practice*, and a man of unblemished reputation, temperate and industrious habits and proverbial integrity. He possesses, too, a clear head, a fund of *common-sense*, and a well-balanced, logical and discriminating mind. In point of learning, ability and character, Mr COLE would be an accession and an ornament to the Supreme Court of the State. Such are the grounds on which we found our preference for Mr. COLE over Mr. CRAWFORD—Another, and not less cogent, reason may be mentioned—that Mr COLE's sentiments and sympathies are for Freedom and Northern Rights, while those of Mr CRAWFORD incline him to lean the other way.

Some of the democratic papers which support Mr. CRAWFORD think it smacks of proscription in the Republican journals and voters to oppose his re-election. We cannot view it in this light.—The expiration of Mr. CRAWFORD's term leaves his office of Judge vacant. It is for the People to fill the vacancy with the best man that offers. The incumbent has no preemptive title to the place. There is just as much proscription, therefore, in *opposing* Mr. COLE, because he deems the Fugitive Slave Act to be unconstitutional and void, as there is in opposing Mr. CRAWFORD, for holding it to be *Constitutional* and *of binding force*. This question is brought into the canvass by the force of circumstances. Our whole State is deeply interested in its decision. *It is one of those fundamental* questions of Popular Rights which far transcend in importance those ordinary matters affecting persons or property which usually engross the attention *of our State* tribunals. Under the Fugitive Slave Act, as interpreted and administered by the Federal Courts, we have seen Justice outraged, Personal Liberty and Personal Rights trampled upon, and the plainest principles of Common Law set at defiance. From a defective indictment, a wrongful verdict, a packed jury, *or a corrupt* and tyrannical Judge in the U. S District Court there is no redress no appeal, no help, if not at the hands of our Supreme Court. That Court has shown its readiness to interpose its authority for the protection of the Rights and Liberties of our citizens. The decision which it has made comes up for review before the tribunal of THE PEOPLE on Tuesday next. Whatever its success may affect or control the result, it is already clear that the re-election of Mr. CRAWFORD will be hailed as a *quasi* endorsement of the Fugitive Slave Act and a triumph for those who uphold that iniquitous measure, while the success of Mr. COLE will be a victory for Right, Justice and Freedom. Let the Freemen of Wisconsin bear this in mind and govern themselves accordingly.

RESCUE TRIALS FUND.—Mr. E. D. HOLTON, Treasurer of the Committee, acknowledges the receipt of $[illegible] for the Fund to defray the expenses of the Rescue Trials. This is still far short of the amount required, and additional contributions will be gladly received.

NEW HAMPSHIRE CONGRESSIONAL VOTE.—We have heretofore stated that the Nebraska and anti-Nebraska issue was fairly made in *New Hampshire*, at the recent election on members of Congress, there being but two sets of candidates in the field, Administration and Opposition. The following is the vote in all but 17 small towns:

1st Dist Pike (Op.)	12,718	Eldredge	(Adm)	9741
2d Dist Tappan "	13,738	Morrison	"	8,606
3d Dist Cragin "	10,496	Wheeler	"	8,207
	36 7?0			26,554

The *Opposition* candidates received heavy majorities in all three Districts and the aggregate majority in the whole State against Pierce and Nebraska *exceeds Twelve Thousand!*

HORICON, DODGE COUNTY.—We copy from the Horicon *Argus* this morning an interesting description of Horicon, one of the busy, thriving and growing villages with which Dodge County abounds. There are in that Co. as indeed in almost every Co. of our State opportunities for investment which would abundantly repay the most exacting capitalist, and homes and employment for thousands of industrious Mechanics, Farmers and Laborers. There is no State in the Union which offers such inducements and attractions to the frugal, competent and industrious emigrant, whether from the Old, or New World, and whatever his circumstances and calling, as does Wisconsin.—And it is the spreading knowledge and growing appreciation of this fact which is swelling, year by year, the tide of Immigration pouring into our borders.

From Madison.

EDITORIAL CORRESPONDENCE OF THE SENTINEL.

MADISON, March 26th 1855.

Monday's Proceedings—Three Vetoes in one Day!

IN SENATE:

Petitions &c:

By Mr. Hadley, acct of G. R. Andrews and R F Eighmy.

By Mr. Reymert, acct of A Kruer.

" " Bowen, " " J N Jones.

By Mr. Giles, of Dane Co. Supervisors concerning use of money received for licenses.

The Assembly bill for an Investigating Committee was made the special order for to-morrow (Tuesday.)

A Message from the Governor was received vetoing a bill amending the charter of Janesville on the ground that it conferred authority to prohibiting the sale of liquor, and thus violated *personal rights*. The vote on passing the bill notwithstanding the veto was:

Ayes, Adams, Bashford, Clement, Cobb, Giles, Harvey, Loy, Sutherland, Taylor, West, Worthington—11.

Noes, Bowen, Dewey, Eldridge, Gibson, Gill, Hadley, Howell, Reymert, Rolfe—9.

Bills Introduced;

By Mr. Giles, relating to moneys received for licenses in Dane Co—rules suspended and bill *passed*.

By Mr Sutherland, vacating part of plat of Edgarton.

By Mr. Bowen, appropriating to J Halpin $328 (salary)

By Mr Clement, amending sec 54 chapter 24, R S—provide against purchase of lands by clerks in school land office—rules suspended and bill *passed*.

By Mr Giles, to suppress drunkenness in the State of Wisconsin.

By Mr Bowen, appropriating $213 to J N Jones—*passed*

ASSEMBLY;

No petitions;

Bills introduced;

By Mr O'Neil, to cede *jurisdiction over certain* lands in Milwaukee (The Senate made a general bill of one which has already passed, and this is introduced to supply the place.)

By Mr P H Smith, charter of Appleton Hotel Co.

By Mr Gary, to repeal the law providing for a *Documentary* History.

By Mr Gary, *to prohibit the sale of intoxicating liquors as a beverage.*

By Mr Gary, for a state road.

By Mr W R Taylor, authorizing pre-emptions on swamp and overflowed lands.

The list of bills passed is sent.

The Assembly went into Committee of the Whole, Mr. Stevens in the chair, but shortly after *commencing operations*, was interrupted by a Message from the Governor, with a veto of the bill appropriating *to* Rufus King and Co. for Supreme Court Reports. (The Message has not yet been read, but the reasons are, doubtless, that R. K. & Co. do not belong to the right party.)

Coming to the bottom of the file, and reaching No. 505 being the bill introduced by Mr. Gary this morning—the new Temperance Bill, Mr Hull moved to rise *and report* the bill back, with the recommendation that it be printed.

Mr. Gary said that the bill, with the *exception*, of slight alterations in writing was the bill as printed in the papers of this place, and could be seen at any time. All of the features which were objectionable to the Governor was struck out.—If the *Governor* had said that the prohibitory principle was unconstitutional, he should not have introduced this bill, but the people demand a Prohibitory Law, and he believed it to be the duty of members to provide one. *This* bill *was* a clean Prohibitory bill.

Mr. Hull was still anxious to have the bill printed, and promised to make no factious opposition to its consideration at a proper time.

Mr. Gary thought that so near the end of the Session, there was no time so proper as *now*, and added that but for the *scene of Saturday*, the bill would have been printed and now on the desks of members.

Mr Hull asked whether the gentleman thought that the bill could be got through any sooner by crowding it now? to which Mr. Gary replied that if gentlemen were disposed to prevent legislation, they *might* take the responsibility.

Mr. Welch moved to report the bill back, recommending *its passage*. He hoped that by urging the bill forward, the business might be got through this week.

Mr. Parker moved to amend the bill by prohibiting the manufacture of liquor. On this proposition a debate of some length ensued, Mr. Parker insisting on it, and instancing a distillery at Ripon as a nuisance to the community, while Messrs Gary and Welch urged that if the sale was *prohibited*, the *manufacture* would not continue, since there would be no market.

Mr. Ebbetts protested *against* the unusual course of not having the bill read.

Mr Welch said that he would withdraw his motion if that was all that was wanted.

Mr. Rose said that he should stand up here for a prohibitory law, as was demanded by his constituents. He was satisfied with his own vote against the other law, and believed that *many* who voted for it were mortified that they had done so. He was ready to vote to-day for a proper law. He favored Mr. Parker's amendment.

The amendment was lost.

Several motions to have the Committee rise, varied in form, were now made by Messrs P. H. Smith and Hull, and lost, and finally Mr. Stevens, the Chairman, refusing to listen to a call for a division on the *question of* rising, brought the Assembly out of Committee.

Mr. Ebbetts moved to adjourn—lost.

Mr. Gary moved to make the Temperance bill the special order for this afternoon—*carried*—Adjourned.

2½ P. M.—Mr. Gary moved to take up the bill.

Mr Gross raised a point of order that where there were two special orders, they must be taken up in the order of precedence. He read from Cushing's Manual. The Speaker decided to the *contrary*, and quoted Jefferson's Manual, which is the authority recognized by the rules.

Mr. Rose moved to amend by *proceeding* to the orders of the day.

Mr. Vilas made a speech *in favor of doing* something else than what the majority evidently desired. I could not exactly make out what the gentleman did want.

Mr. Rose thought the other special order, the *Capital* Punishment bill—ought to be taken up. He would be willing to lay it aside, if it elicited much *debate*.

Mr. Ebbetts moved to go into Committee of the whole on the orders. *Mr. Gary said that he* believed the object to be to occupy the afternoon on the Capital Punishment bill, and moved to lay it on the table. *Carried*. Mr. Hull moved a call of the House, which was sustained. Mr. Gary moved to suspend proceedings under the call.—There were 36 in favor—not two-thirds—and a fair prospect *for another* "lively time."

(Pending the call, Messrs. Goodall, O'Neill, and Welch were announced as the Committee on the part of the House to confer with Mr. Proudfit.)

After a while, the better judgment of some of the members prevailed, and Mr. Hull moved to suspend proceedings under the call. *Carried*, and the House went into Committee. Both bills were read through, and some trifling amendments made to the *Temperance* Bill. (The *veto of the bill repealing the Lunatic Asylum Law* was received at this stage.)

On rising from Committee, the bill *restoring* Capital Punishment was carried, 44 to 27.

The amendments to the Temperance Bill were concurred in, and the bill ordered engrossed, by the following vote:

AYES—Adams, Bond, Cary, Chase, Cole, Colley, Davis, Downs, Field, Filer, Gary, Goodrich, Goodall, H Grant, W. Grant, Gunn, Harrington, Hooper, Howard, Isham, Judson, Kirkpatrick, Lee, Love, Martin, Merriam, Merrill, Parker, Pratt, Randall, Ross, Sherman, P H. Smith, A Taylor, W R. Taylor, Townsend, Topliff, Wakely, Warren, Welch, Whirry, Williston, Sholes—43

NOES—Barns, Bennett, Blaizer, Boyd, Cross, Delany, DeWolf, Earnest, Ebbetts, Falvey, Gibb, Griffin, Hall, Juneau, Lavis, O'Neil, Ramsey, Ribble, Ruan, Schwefel, B. Smith, Stevens, Thompson, Vilas, Waite—25.

On motion of P. H. Smith, the Veto Messages were taken up. First came *the one directed at* R King & Co. Being read, it was found that the objections were partly to the quantity of books to be purchased, and the consequent expense; but not so much to this as to the fact that the bill, as amended in Senate, by the Governor's friends, require the 2d volume to contain only two *terms*, the *fact being* that this brings the reports in the two volumes full for *two years*, except about a week! The Governor's *love of economy* is shocked at this extravagance, and he can't go it, any way.

On motion of Mr. Hull, the consideration of the Message was postponed till to-morrow afternoon.

The Veto of the Lunatic Asylum bill was next read. The objections *are* that a Lunatic Asylum is very necessary—that the State, by *the sale of the Swamp lands* has abundant means to build it—that because they knew this, the Commissioners had made and the Governor approved the contract—that the Governor has no reliable evidence that the building will cost any such great sum as reported, &c., &c. Also that the bill repudiates the contract and don't provide for *taking care of the property*—and that the bill was passed hastily and without consideration.

Mr Rose moved to defer the consideration of the Message till to-morrow afternoon, (afterwards morning).

Mr. Gary opposed the postponement, and urged the necessity of acting at once, so that if this bill could not become a law, another might be provided.

Mr. Hull said he had opposed the *concurrence* in the amendment of the Senate, as he thought it made the bill unconstitutional, and should sustain the vote.

(It is worthy of remark that the Governor does not find any such objection to the bill.)

Mr. Stevens, while declaring that he should sustain the veto, was very anxious that the vote should be postponed, and his remarks drew out from Mr. Gary some others to the effect that this proposition to sell the swamp lands was constantly pressed upon the Legislature and this before the State has any title.

Mr. Sherman, who had voted against the bill before, said that he should now vote for it.

Mr. Randall thought it important that the vote should be taken at once. The state has no means to go on with the Asylum, at *any* estimate yet made.

Messrs O'Neill and Bond stated that they had voted *for* the bill as it first passed the Assembly, but against the Senate's amendment, and they *should feel constrained* still to oppose bill.

Mr. Bennett advocated the necessity of taking the vote at once.

Mr. Rose said that he considered a Veto Message from the Governor worthy of *respectful consideration*. He should vote to sustain the Veto, if compelled to vote now.

Mr. P. H Smith said that he should vote for the bill, notwithstanding the Veto. The *Governor does not* pretend that it is unconstitutional, and he (Mr. S.) could not see how any one could pretend that it was *so*. The reasons given by the Governor would weigh equally against *any* bill repealing the law of *last winter*. He tho't that law ought to be repealed, since it left the Governor power to go on and appoint three Commissioners to carry on this job. The proposed building—half a mile around, almost—was enormously disproportioned to the wants of the State, and to its abilities; and a law *should* be passed, giving the contractor notice that the Legislature repudiates the contract.

The bill *passed, notwithstanding the Veto*, as follows:

AYES—*Adams, Allen, Bennett*, Blaizer, *Cary, Chase, Cole, Colley, Davis, Delany*, DeWolf, *Downs, Field, Filer, Gary, Gibb, Goodrich, Goodall, H. Grant, W. Grant, Gunn Harrington Hollenbeck, Hooper, Howard, Isham, Judson, Kirkpatrick Lee, Love, Merriam, Parker, Pratt*, RANDALL, Ramsey, *Sherman*, P. H Smith, *A Taylor, W. R. Taylor, Townsend, Topliff*, VanNostrand, Vilas, *Wakely, Warren, Welch*, Whirry, *Williston, Sholes*—49.

NOES—Barns, Bond, Cross, Earnest, Ebbetts, Falvey, Griffin, Hall, Juneau, Lavis, Martin, *Merrill* O'Neill, Ribble, Ross Ruan, Schwefel, B. Smith, Stevens, Thompson, Waite—21.

This good work done, the Assembly adjourned.

Abstract of Tuesday's Proceedings.

MADISON, March 27.

SENATE—Bills passed:

Appropriating to J. Halpin, $128.

Appropriating to John White.

The Veto of the Lunatic Asylum Bill was taken up. The whole morning was occupied upon the subject. Messrs. Bowen, *McGarry, Hadley*, Eldridge and others, declared that they should sustain the veto. The vote stood, on passing the *bill notwithstanding the Veto*:

AYES—*Adams, Bashford, Clement, Cobb*, Gill, *Giles, Harvey*, Loy, *Paddock Rolfe, Sutherland, Taylor*, Wakely, *West, Worthington*—15.

NOES—Bowen, Dewey, Eldridge, Gibson, Hadley, Howell, Kelsey, McGarry, Reymert—9.

Mr. Eldridge introduced a new bill on the subject.

ASSEMBLY—Messrs. Lee and Gary, on a question of *privilege*, protested against being praised by the *Democrat*. Mr. Bennet also corrected a misrepresentation.

The Assembly refused, 32 to 39, to take up bill to pay Prof. Daniels, at the wish of its enemies.

Mr. Ebbetts resolution to adjourn next Monday was *indefinitely* postponed, 35 to 33.

Bills passed:

Amending charter of Janesville.

Authorizing J. L. V. Thomas to build a dam.

Vacating part of plat of Edgerton.

It being understood that the Lunatic Asylum Bill would not pass the Senate by two-thirds, another, simply repealing the law of '54, was introduced, and passed, 62 to 8.

The new Temperance bill passed, 43 to 25.

Providing for pre-emption on swamp lands for agricultural purposes, passed.

Adj to 2 1-2 P. M.

ANOTHER "LIQUOR BILL" VETOED.—On Monday the Governor vetoed a bill amending the Janesville City Charter, so as to prohibit the *granting of* licences to sell liquor. The Madison *Journal* says:

> Janesville voted on the question of a prohibitory law and cast only *ten votes against it*. Her citizens desired this bill, but anything restricting free trade in liquor cannot be sanctioned by this Executive. A majority of the Senate voted *to sustain* the bill, but not the two-thirds requisite to pass it over the veto.

RUMORED ARREST.—We understand that an officer from Indiana, having a requisition from the Governor of that State for a Mr. ———, who has been engaged in banking business in one or two places in this State, passed thro' here a day or two since, on his way to Madison. The crime charged is larceny, and ———, we learn was arrested in Janesville and taken back to Indiana to undergo an examination.

Proposals for Building our Custom-House.

Secretary GUTHRIE invites proposals until the 6th day of June, 1855, at 12 M., for the construction of the Custom House in this city, according *to the* plans and specifications prepared by the Treasury Department. The proposals may be for the whole building, or separate for the different kinds of work. *Plans, specifications* and working drawings may be examined on and after the 28th of April, and all desired information about the work obtained, on application to the Treasury Department at Washington, or at the Collector's Office in Milwaukee.

MR. LETCHER, OF VIRGINIA.—The *News* says that this gentleman is a candidate for re-election from the 'Tenth Legion' of Virginia, and takes the occasion to pay him a high and not undeserved compliment for his ability, integrity and unyielding and effective opposition, in the last *Congress, to the designs* of the Land-Grabbers. Lest, however, Mr. LETCHER should be prejudiced in the eyes of his intelligent constituency by a word of praise from a northern paper, the *News* 'explains' in this wise:

> "The expression of an earnest hope for the re-election of *Mr. Letcher, coming so far north of* Mason's line, might perhaps do him *more harm than good* in Virginia, were it not understood that it comes from a press that has never been tainted with Abolitionism, and that has never lost an opportunity to denounce its latest phase of nullification."

We do not think that the People *of Virginia* will feel particularly flattered by this explanation, or think any the more of the compliment to Mr. LETCHER, because the paper which pays it feels under the necessity of adding that, though published at the North, it does not sympathize with the prevalent Northern feeling on the great *issue of the day*.

OUR AFFAIRS WITH SPAIN.—It is stated by *The Union*, and confirmed by *The Evening Post*, that the differences between the American and Spanish Governments, with reference to the Black Warrior affair, are now arranged, Spain having agreed to the view of the matter taken by Mr. Marcy, and promised to make all the reparation demanded.

The *Post* intimates that this affair would have been settled long ago, had not Mr. SOULE *withheld* an important despatch of Secretary MARCY's in order to keep alive the quarrel with an eye to Cuba.

COUNTY OFFICERS.—The Supreme Court decided, on Tuesday last, that Mr. Robinson was elected Sheriff, instead of Mr. Higby, and Mr. Vaughn Clerk of the Court, instead of Mr. Delany. This decision is just. The person who receives the largest number of votes for any office, should never be deprived of such office by any trifling informalities in the returns which town officers may chance *to make*. The precedent which the Court has established in this case is a righteous one.—[Portage City Independent.

The Supreme Court, in this decision, have done justice between the parties, confirmed the expressed will of the people and given effect to that wise provision of our Statutes which declares (chap. 6, sec. 95) that the person receiving "a plurality of the legal votes cast at any election" shall be entitled to the *certificate of the* canvassers, notwithstanding any technical defects in conducting the election, or canvassing the votes, "so "that the *real will* of the plurality may not be "defeated by any informality."

☞ There is a *movement* on foot by a goodly number of our citizens to present to Mr. Rogers, the bridge contractor, some *fitting testimonial* of their appreciation of the faithful manner in which he has executed his contract, in spite of all the discouraging circumstances that have crowded upon him. The movement is a good one. Mr. R. will leave with us a monument of his skill as an architect, and a general respect among our *citizens for* his energy, probity and gentlemanly bearing. We regret that our article descriptive of the Bridge, is *again necessarily deferred*.—[Port Huron Observer.

Mr. ROGERS is one of our best Mechanics. He is of the firm of MARTIN & ROGERS, and is making his mark, abroad as well as at home.

Horicon; Its Advantages & Prospects.

We publish in this number a map of the County of Dodge, showing the location of the different towns, villages, railroads, &c. The population of the County must at this time be in the neighborhood of *thirty thousand*, one of the highest in the State. It has about 3 500 improved farms, nearly equally divided between prairie and *timber*, there are probably 150,000 acres under improvements. That part of the County east of Rock River and Lake Horicon is heavily timbered, while the remaining portion is prairie and openings.

An inspection of the map will show that the County is well watered, and has many excellent water powers, most of which are improved. The County abounds in resources of all kinds. Its agricultural resources are not surpassed in this State, all *kinds of grain* are raised in large quantities and of good quality. All kinds of stock do well.

The immense deposits of Iron Ore at Iron Ridge is one of the most remarkable in the North West. It lies within a mile of the Milwaukee and La Crosse Railroad, and fives mile from Horicon. It is being extensively manufactured into pig iron at Mayville, and from recent experiments *made* at the Horicon *Forge* there is but little doubt that bar iron of first rate quality can be manufactured directly from the ore.

Pine lumber is now being manufactured in large quantities at Horicon, from logs brought from the pineries on the Wolf River, and its tributaries.

The *map* shows the location of the Village of Horicon, on the Rock River, at the outlet of Lake Horicon, and at the junction of the *Milwaukee* and LaCrosse, and the Horicon and Berlin Railroads. Its location is near the center of the County, and at the focus of its great thoroughfares, which will be soon completed. The village is laid out on both sides of the river, on high, dry, and rolling ground, on the planting ground of one of the *largest* villages of the Winnebago Indians, their name for it was Parachera, meaning fire village. Indian mounds of various size and shape line both banks of the river, and ridge of land on the east of the village.

The lake stretches away to the north, belted with heavy woodlands on the east, and with openings on the west. Headlands, sloping gently, alternate with deep indenting coves. Several picturesque islands present themselves upon the bosom of the lake.

Immediately on the east of the village the land rises to a sufficient height to overlook the valley of the river, the whole sweep of the lake, and the opening and prairie country stretching away to the west like a vast champaign in Mosaic.

The population of the *village is* about 700, and rapidly increasing, the village doubled in size and population during the last year.

We have two churches, nearly completed.—There are several dry-good stores, drug store, hardware store, two waggon and carriage shops, three blacksmith's, harness shops, and other trades.—The water power here *is one* of the best in the State, having eight feet head, with Rock River and its branches for a supply, and Lake Horicon for a reservoir. There is a grist mill, a saw mill with two saws, and wood turning machine, and one forge for manufacturing bar iron from scrap and ore. A siding and planing mill is in the process *of erection*.

The Railroad from Milwaukee is under contract to this *place, and is to be in running order* by the first of September next. The road is already nearly graded, a large proportion of the iron is already purchased, and the track laid for some miles out of Milwaukee, and when the road reaches here it cannot fail to produce a very large amount of business, being surrounded by a *large country*, as we are the productions of which will seek a natural outlet here.

We want capital to develope our great resources. We want flouring mills, wool carding & cloth dressing machinery, a furnace and *Machine shop*. There is no kind of manufacturing business but what would pay well. There is a great demand for tenements to rent, and houses erected for that purpose would be good investments. We need a first class hotel, no place in the State offers better inducements for such a project. Building lots can be had at *reasonable prices*. On the whole there is no place in Wisconsin, which, at the present time, offers greater inducements for capitalists, mechanics, manufacturers and tradesmen than Horicon.—[Horicon Argus.

Rejoicings over the Veto—Torch light Procession—Governor Barstow called out—Meeting of the Faithful at Doerschlag's—Speeches—Cheers for "Barstow and the Balance"—Groans for the "Shanghais," and a great time generally.

"Whom the gods wish to destroy they first make mad."

The rummies had a great jollification Saturday night over the veto of the liquor law. We have space only *for a brief* statement of the proceedings. Bonfires were kindled early in the evening *in front of the Argus and Democrat* office, at the corner of the American House, and in front of *Doerschlag's*. A torch light *procession* was arranged which proceeded to the Capitol, yelled a while in the ears of the Assembly, which was still holding its boisterous session, and then proceeded to Governor Barstow who, we understand came out and addressed them briefly.

A great crowd was gathered about the bonfire near Doerschlag's, whooping and yelling like drunken Indians. Marshal Brown attempted to disperse them but was unable. There were some pugilistic demonstrations among the crowd but nothing serious occurred. After the adjournment *of the* Assembly the faithful gathered into Doerschlag's, an extensive German saloon, where speeches were made by *Messrs.* Hull, Sat. Clark, *Vilas*, Ebbets Mayor Cross of Milwaukee and Senators Hadley Eldridge and others.

Mr. Hull, made one of his appeals to foreign voters, declaring that the only hope of the stability and perpetuity *of the Union* was in them and bearing down severely on the Know-Nothings. Cheers were given for "Barstow and the balance," and a toast drunk to "Wm. A. Barstow next Governor of Wisconsin," and three groans for the "Shanghais."

This we suppose is a foreshadowing of a contest *in* which the opposition hope to ignore all other issues and to be "borne on to fortune" upon a tide of rum. The *Republicans* will make no issue upon this question. Their principles are too broad and important to be laid aside on any such issue, and prohibition or anti-prohibibition will not be made a test of political orthodoxy by them. The Democracy having no other principles may organize on the whiskey issue. We trust they will, and a worse than Waterloo overthrow will scatter them to the four winds next November.—[*Madison Journal*.

THE DOCUMENTARY HISTORY OF WISCONSIN.—*Some two years* since General William R. Smith was pensioned upon the State as Historian, and publish a documentary *History of Wisconsin*.—Beriah Brown of Madison obtained the contract for printing some 5000 copies, at a cost already of some $13,000! and of course makes a very handsome speculation. We have barely seen one copy of the first volume, which is got up in the most miserable manner, both as respects paper, printing, and binding.—[Platteville American.

"BARE ASSERTIONS" AND PROOF.—The bare assertions and insinuations of the Shanghais about the dishonesty of the state officers amount to nothing, and are not deserving of the least consideration. In vestigate affairs, gentlemen Shanghais, and if these officers have swindled the state, show wherein, and *vice versa*, and the people will thank you for it.—[Sheboygan Journal.

Well, neighbor MILLS, what do you *think of* the "Showing wherein" on the Lunatic Swindle? Are you as one of the people, prepared to say "thank ye" to the Shanghais and Democrats who *have shown* up that stupendous fraud—to say nothing of the $20,000 Documentary nonsense, and numerous other stealings?—[Madison Patriot, (*dem.*)

AN ACT *to suspend the sale of School and University Lands except for purposes of settlement and cultivation.*

The People of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:

Section 1. Every person making application to purchase any portion of the School or University lands, or the agent or attorney of such person appointed by him in writing to make such application, shall be required to make affidavit before some officer authorized by law to administer oaths, and to file the same in the office of the *secretary of state*, or deliver it to the commissioners of school and university lands, that the applicant applies to purchase the lands therein described for his or her own use, and for the purpose of actual occupancy or cultivation, or for the use of an adjoining farm owned or occupied by said applicant; and it shall further state that the applicant does not own or hold in his own name, and that no person *owns or holds for his use*, any quantity of school or university lands which, together with those he applies to purchase, will not exceed three hundred and twenty acres; and unless such affidavit shall be made and filed, or delivered as aforesaid, the person applying shall not be allowed to purchase any portion of the lands described in his or her application; and every purchase of such lands not made *for the purpose of actual occupancy or cultivation* by the applicant, or exceeding the quantity above limited, shall be null and void: Provided, That no person shall purchase any pine lands without paying the whole of the purchase money at the time of the sale.

Sec. 2. There is hereby secured to every person now settled, or having improvements upon, or who may settle upon subsequent to the passage of *this act*, any tract of school or university lands, the pre-emption right to purchase any amount of land not exceeding one hundred and sixty acres, embracing such settlement or improvement, and to be selected by the claimant in legal subdivisions at the appraised value thereof exclusive of any improvement or settlement upon said lands by the person claiming the right of pre emption thereto, or at the minimum price fixed by law; in case the lands shall be sold without appraisement said right of pre emption to be proven up in the manner and subject to the conditions and provisions named in section two, of an act approved February fourth, eighteen hundred fifty-one, entitled "an act to amend an act entitled an act to provide for the appraisal and sale of school lands, and for granting pre-emption rights thereon," approved February ninth, eighteen hundred and fifty."

Sec. 3. The commissioners *of* school and university lands shall include in one certificate of sale, as many distinct lots or tracts of such lands hereafter purchased by any person at the same time, either at public sale or private entry as such purchasers may request, and only one account shall be kept with such purchaser for all the lots or tracts included in the same certificate.

Sec. 4. This act shall take effect from and after its passage.

C. C. SHOLES,
Speaker of the Assembly.
JAMES T. LEWIS,
Lt. Gov. and President of the Senate.

CITY MATTERS.

POLICE COURT.—March 27.

BEFORE CLINTON WALWORTH, ESQ., POLICE JUSTICE

A warrant was issued against Schmidtman, *alias*, for an assault and battery upon Christopher Rienhardt, on the 26th March.

No examination has yet been had in the case of the two Germans, arrested more than a week since, for obtaining money under false pretences from William J. Bell & Co., Bankers, of this city.

Complaint was made against Wm. McGrath, charging him with assault with intent to kill his wife on the 24th March. A warrant was issued against the defendant who was already in jail.

WARNING TO BOYS.—Application was made to the Police Justice for warrants against three boys—sons of respectable people. The charge against them was that they had repeatedly committed *offences* against the premises of a lady who keeps a school on Biddle street. On Thursday last these boys broke open the door, spilled the ink on the desks and committed other *offensive acts*. The officers will be on the look out for them today.

OUR FIRE DEPARTMENT.—Those who feared that the harmony and efficiency of our Fire Department *would suffer from* the circumstances attending the recent election of Chief Engineer and Assistants, must have had these fears effectually quieted by the experience of Monday night. Our Firemen rallied promptly at the well known signal and turned out in as great strength and rendered as timely service as we have ever known them to do.

ATTEMPT TO OBTAIN MONEY UNDER FALSE PRETENCES.—A German presented himself at the counter of the People's Bank, Monday, and handing a depositor's book to the Clerk, asked for $150 which stood on the credit side. The *clerk*, suspecting fraud, asked the man if the book was his. He replied that it was. The Clerk then appealed to Mr. Greenleaf, who immediately sent for the man to whom the book and deposit really belonged. He came and stated that his book was kept in his trunk. On searching the other man a key *was found which fitted this trunk*. The two went off in company, which is the last we have heard of the matter. Under the regulations of the Bank, the proprietors would have been safe, had the attempt *to get* the *money succeeded*; since they are authorized to pay to any person presenting the book.

HINTS FOR THE COUNCIL.—The narrow escape from a destructive fire Monday night supplies two useful hints *for the Common Council*. One is, that no barns, sheds, or wooden buildings should be allowed in immediate juxtaposition to large and valuable blocks of brick stores—the other, that a passage way should be kept clear all along the river front of the stores on East Water Street, of sufficient width to admit of the engines being stationed and worked there. The Common Council should pass an Ordinance to meet both these cases, at once.

AUCTION SALE OF FANCY GOODS.—Mr. Rooney has a large Catalogue Sale *of Millinery*, Fancy and Domestic Dry Goods at his Auction Rooms this morning, commencing at 10 o'clock. Some excellent bargains will be offered.

THE ICE IN THE RIVER.—Some idea of the *thickness and solidity* of the ice in the river may be formed from the fact, that at the fire on Monday evening several of the heaviest engines in our *Fire Department* were run *directly* upon the river and stationed and worked for nearly an hour upon the ice, which seemed as firm and solid as rock.

☞ The *Traveller* arrived from Chicago, yesterday afternoon, with 150 passengers, a large freight and two dray loads of mail matter. We learn from her officers that the vessel reported ashore near Waukegan was the *C. Walker* of Chicago. She was light and got off Monday evening without damage.

"FREE LIQUOR" CELEBRATION.—The friends of "Free Trade in Liquor" had a "lively time" last night. The principal dealers "came down" handsomely and furnished liberal supplies of fuel, powder, music, &c. With these helps, several bonfires were lit about the streets. The cannon thundered *long* and *loud*, and a procession largely made up of boys and torches, paraded thro' the city. A few seedy-looking characters in front, bore a banner assuring the public that "the *Sentinel* could not buy them with eight gallons." The *Sentinel* begs to observe that it did not see any man in the lot worth that price;—The *leaders, apparently*, were ashamed of the business, for they did'nt mix with the crowd.

FUN AT YOUNG'S HALL.—The negro minstrels, together with the celebrated danseuse, Miss Allen, continue to attract large crowds at Young's Hall. They *perform* again this *evening*. The price is 25 cents.

INTERESTING TO BOYS.—Some of the boys residing in the First Ward will find something interesting in the Police Court report.

Information Wanted.

MILWAUKEE, March 26.

Messrs. Editors:

Will you please to inform the public, through your paper, whether there is to be a Night Boat between here and Chicago. Also, when the Canal at Chicago will open, and oblige

AN ENQUIRER.

[We believe that a Night Boat is to be put on, as soon as the *business* warrants. The Chicago papers say that the Canal will be open in a few days.—Ed. Sentinel.]

ANOTHER QUIET SABBATH.—The Liquor Saloons were all *kept* closed on yesterday, as far as we could learn, and the city was orderly, peaceable and quiet all day long. *The people of* Chicago will never cease to be grateful to Mayor Boone for the decided stand which he has taken in this matter, and the firmness with which he enforces the laws.—(Chicago Tribune of Monday.

Cannot the like boon be extended to Milwaukee? What say our new Mayor and Common Council?

WALWORTH COUNTY INDEPENDENT.—Messrs. A. and E. B. FARNUM have disposed of their interest in the Walworth County *Independent* to Messrs. N. B. FISHER and E. J. FARNUM, by whom it will be conducted in future. The *Independent* is a sterling Republican paper and a staunch advocate *of Freedom*, Temperance and State Rights. Its new proprietors promise to add to its good looks and good qualities. We recommend it to our Merchants as an *excellent advertising* medium.

☞ The Madison *Democrat* desires us to correct our statement that the editor of that paper was the *Wisconsin's* semi-occasional Madison *correspondent*. It was a slip of the pen. "Sioux," the correspondent referred to, is tolerably well known to the public and press as the editor of the Waukesha *Plaindealer*, and not of the Madison *Democrat*.

Owing to the continued advance in "State Bonds," we have to note a general improvement in all suspended stock secured notes—the improvement is quite marked both in Indiana and Illinois money. Our Comptroller has wound up the affairs of the "Oshkosh City Bank," and its notes are now received at Par.

Eastern Exchange continues in considerable demand, without change of rate.

We are now buying uncurrent at rates given below.

Wood-Sawing Machine.
FOR SALE—A WOOD-SAWING MACHINE, Circular Saw, &c., all in good order.
March 24, 1854. tf R. KING & CO.

☞ If the statements we see in many of the papers and the names of many highly respectable physicians and citizens of high standing attached to certificates of the good effects of a medicine can be relied on, it seems to us the height of incredulity to doubt for a moment the intrinsic virtues of the "MEXICAN MUSTANG LINIMENT." The fact is admitted by all, that it is the best external remedy ever discovered by the medical faculty; and that it is a certain cure for all kinds of Cutaneous diseases, both on man and beast. We cordially recommend it to any of our readers who are troubled with any of the diseases for which it is recommended.
See advertisement in another column.

HOLLOWAY'S OINTMENT.—A Miraculous Cure of Ulcerous Sores.—Augustus Cook, a compositor, in the office of one of the papers, published in Philadelphia, was afflicted for a long time with scrofulous sores on his arms and legs, his case in the end, became so desperate, that it appeared evident he must forsake his employment. A friend, however, persuaded him to use Holloway's Ointment, and to to take the Pills according to the printed directions, which he did. After a short time, he found himself considerably better, and by persevering with these remedies, in a few weeks he was completely cured, and is now able to work with renewed vigor.

The Most Successful American Book.
RUTH HALL:
A DOMESTIC TALE OF THE PRESENT TIME.
BY FANNY FERN
400 pp., 12mo. Cloth. Price, $1,25.
IT HAS BEEN RESERVED TO THIS DISTINGUISHED authoress to achieve what may, under the circumstances, be regarded as the most brilliant success ever obtained by an American writer of fiction. "RUTH HALL," her first continuous story, though deriving no interest or popularity from connection with any of those vexed questions which agitate the public mind, has, in the two months since its first appearance, reached a greatly larger sale than any other American work of fiction whatever within the same period. This extraordinary fact is, of itself, abundant evidence of the absorbing interest and graphic power of this remarkable work. We have in our possession several hundred reviews of "RUTH HALL," which have already appeared in the principal newspapers and periodicals. Nearly all of these pronounce it emphatically a work of genius, many predicting for it the largest sale of any American book, and devoting whole columns to its eulogium, while we have seen but a very few (not twelve in all) which deny its singular fascination.
"RUTH HALL" is for sale by Booksellers generally.

WE HAVE HEARD OF ITS EVERY WHERE.—The reputation of Dr. A. L. Adams' Liver Balsam for doing what it promises to do, and the wonderful cures which it has effected are so great, the people everywhere are as conversant with the good qualities of this Medicine as with "Household Words."
It does not become necessary to keep the public advised of this Medicine through the channel of the Press, as other Compounds are.—From its first introduction those individuals who have used it become *living* advertisements for it. If this should be noticed by the readers who is afflicted with any disease which this Medicine proposes to cure and is anxious to be restored to good health, our advice is get a bottle of Dr. A. L. Adams' Liver Balsam, take it and live. See testimonials in this paper.

HOLD ON!
Ye Lumbermen and Shingle Mongers.
WAIT TILL YOU HAVE SEEN
Stevens & Ridder's Patent
FOR RIVING & SHAVING SHINGLES.
THIS MACHINE has the preference over all other like Machines in the simplicity of its mechanism and the perfection of its work, as well as in the first cost of the Machine, and the economy of running it.
It rives with a blunt and moveable knife, and shaves by passing the shingle between two knives, thereby shaving both sides at the same time, and on a true and equal taper. The Patent has been sold in several counties, and machines are now in operation in Jefferson, Sauk and Portage counties.
This Machine manufactures from 10,000 to 20,000 shingles per day—requires only a two-horse power, and costs $175.
Again, we say, wait till you see this Machine. A Model of the Machine can be seen at W. P. FLANDERS' Office, Ludington's Block, East Water street, where one of the subscribers will be in attendance.

Atlantic!
The Czar's Death Confirmed!
BREADSTUFFS LOWER!
PEACE PROSPECTS DOUBTFUL!
Prussia Excluded from Vienna Conference!

[PRIVATE DESPATCH TO THE SENTINEL.]

New York, March 27.

Atlantic arrived. Flour down one shilling; wheat sixpence; Corn 1s 6d. Consols advanced, 93½. Czar's death *confirmed.* Peace prospects bright. F. A. A.

Second Despatch--No Hope of Peace.

Private letters say that there is *no hope* of peace. Prussia has been excluded from Vienna conference. A.

Further by the Atlantic.

Alexander, Emperor of Russia! He follows his Father's policy—The Allies urging on the war—Rumored death of the Grand Duke Michael.

New York, March 27.

The Steamship *Atlantic* arrived off Sandy Hook this A. M. with a week's later dates. The Czar's death is confirmed. Alexander succeeded peaceably to the throne. He has issued a manifesto that he *will follow his father's policy* and has confirmed Gortschikoff as plenipotentiary at Vienna.

Nicholas had recalled Menschikoff and appointed Gortschikoff in his place

The Allies have ordered their Generals to *press forward the war.* The fighting at Sebastopol continues—it is rumored that the Grand Duke Michael is killed. Louis Napoleon objects to the Roebuck Committee. Cotton closed quiet at ⅛ advance. Breadstuffs dull and rather lower—consols 93.

Letter from Mr. Soule.

Washington, March 24.

The National Intelligencer of this morning publishes a letter from Mr. Soule, in relation to the surreptitious correspondence held between Mr. Perry and the Department of State. He says he has no objection to the publication of the correspondence, and that if, in the Secretary of Legation—the man whom he had taken to his bosom—he had a spy and a traitor, it will never hurt him to let the world know how infamously the trade was carried on.

From Texas.

Baltimore, March 24.

New Orleans papers of Saturday last are received. Galveston papers of the 5th inst. state that immense conflagrations have occurred in the forests near Austin, and much property has been destroyed.

The Anderson Central Texian has a rumor that Gen. Houston intends to issue a circular on the 4th of March next, announcing himself as an independent candidate for the Presidency.

The British Recruiting Office in New York.

New York, March 24.

The U. S. District Attorney has addressed a letter to the Marshal of this district, calling his attention to the fact that a recruiting office has been established in this city for the British service, which is in violation of the neutrality laws of 1818, and consequently directs the Marshal's attention to the penalties, and promises his co-operation in any measure that may be taken for the suppression of the office.

The Strike at Manchester.

Manchester, N. H., March 24.

The strike of the operatives continues with unabated determination. Yesterday a procession of full 5,000 marched through the streets, and a meeting of the citizens was held to sympathize with the strikers. The Stark and Manchester mills have closed. The *Amoskeag* is the only mill running. At least 2,000 girls have left Manchester for their homes.

Steamboat Arrangements for 1855.

We learn, on good authority, that arrangements have been concluded for running the several lines of passenger steamers from this port for the coming season. The steamers Crescent City and Queen of the West will form the daily line between this port and Cleveland. An arrangement has been entered into between the New York Central, Cleveland, Columbus and Cincinnati and Mad River Railroads, by which the steamers Mississippi and St. Lawrence, which last year ran from Buffalo and Sandusky, will not be brought out at all, but will remain laid up at Sandusky, and the Cleveland line pay the Sandusky line a certain proportion of the profits which they may earn. The passengers from Cincinnati via the Mad River Road leave at Norwalk per the Cleveland, Columbus and Cincinnati Road, and come into Cleveland on that road. We regret the withdrawal of the Sandusky steamers, but presume it is a matter of necessity. The Southern Michigan line will be composed of the same boats as last year, namely, the Southern Michigan, Northern Indiana and Empire State; and the Michigan Central line will have the steamers Western World, Plymouth Rock and Buckeye State, which latter boat takes the place of the Mayflower.—We understand that the Michigan Central Road endeavored to charter the St. Lawrence to take the place of the Mayflower, but the owners of that boat had not then decided to lay her up, and in the meantime the Buckeye State was chartered. Now that the Lady Elgin has been withdrawn from the Buffalo and Chicago route, and placed on the Collingwood and Chicago, we should think the steamers St Lawrence and Mississippi would pay well on the Buffalo and Chicago, and this is about the only route left on which they could run and make money.—[Buffalo Democracy, Tuesday.

WEATHER.—We have a second edition of Winter; a late fall of nearly a foot of snow, and the best sleighing we have had during the season; the last few days have been cold—thermometer below zero several mornings; 16° below, yesterday. More logs are likely to reach the banks in March than any former month of the season. We estimate that 80,000,000 feet of lumber will go out of the Wisconsin the ensuing summer; the quantity of Shingles also will be quite large.—[Stevens Point Pinery, March 22.]

$500 Reward!
HAVING RECEIVED SUCH INFORMATION AS satisfies me beyond a doubt that the fire which destroyed several buildings on Mason street last night, was the work of one or more incendiaries—
Now, therefore, I, BYRON KILBOURN, Mayor of the City of Milwaukee, in pursuance of authority in me vested by the ordinances of said City, do hereby offer a reward of FIVE HUNDRED DOLLARS, to be paid by said City to any person or persons who shall cause to be arrested, or will give such information as will lead to the arrest and conviction of any person; and for each and every person so convicted of setting or causing said fire, or criminally accessory to the same; and also the same reward will be paid to any person who will furnish information on which any person shall be convicted of setting fire to buildings in this city during the past twelve months.

NATIONAL LOAN FUND
LIFE ASSURANCE SOCIETY,
LONDON.
CAPITAL, - - - $2,500,000.
Guarantee Fund, $100,000, Deposited with the Comptroller of the State of New York.
The advantages offered by this Company are many, and the public are invited to call upon the Agent and make themselves acquainted with the System adopted by the Company, when they will be better able to decide whether Life Insurance is desirable or not, and at what Office it is their interest to Insure.
The many reasons why Fire and Marine Insurance should be adopted, are incontrovertible; and Life Insurance, while it in no way interferes with, or undervalues these important institutions, has claims which no other system of insurance can have. Human existence must on consideration, enjoy a much higher estimate than worldly property.
While the representative of a family lives, (although, through neglect to insure his *property*, he becomes bankrupt,) he supports his family; but at his *death*, dies also their means of support, unless he has saved them from want by an insurance on his *life*, which may be done by the payment of a small annual premium, the payment of which has not diminished his own worldly comfort during life.
If young, the annual payment will be light, and if insured with profits, the policy will be constantly growing more valuable, though the *premium* is not increased.
Clergymen and others who have a stated and regular income, *should insure*, well knowing that, at their death their families may be left destitute,
Men engaged in mercantile or manufacturing pursuits ever varying and uncertain in their issues, *should insure.*
The farmer who has still a mortgage on his farm, *should insure*, at least to the extent of it, thereby enabling his family to pay off the debt in case of his death.

RHODES'
FEVER AND AGUE CURE,
OR,
NATURE'S INFALLIBLE SPECIFIC.
FOR the Prevention and Cure of Intermittent and Remittent Fevers, Fever and Ague, Chills and Fever, Dumb Ague, General Debility, Night Sweats, and all other forms of disease which have a common origin in Malaria or Miasma. This subtle atmospheric poison which at certain seasons is unavoidably inhaled at every breath, is the same in character wherever it exists,—North, South, East or West,—and will everywhere yield to this newly discovered antidote, which is claimed to be the GREATEST DISCOVERY IN MEDICINE EVER MADE.
This specific is so harmless that it may be taken by persons of every age, sex or condition, and it will not substitute for one disease others still worse, as is too often the result in the treatment by Quinine, Mercury, Arsenic, and other poisonous or deleterious drugs, not a particle of any of which is admitted into this preparation.
The proprietor distinctly claims these extraordinary results from the use of this NATURAL ANTIDOTE TO MALARIA.
It will entirely protect any resident or traveler even in the most sickly or swampy localities, from any Ague or Bilious disease whatever, or any injury from constantly inhaling Malaria or Miasma.
It will instantly check the Ague in persons who have suffered any length of time, from one day to twenty years, so that they need never have another chill, by continuing its use according to directions.
It will immediately relieve all distressing results of Bilious or Ague diseases, such as general debility, night sweats, &c. The patient at once begins to recover appetite and strength, and continues until a permanent and radical cure is effected.
Finally, its use will banish Fever and Ague from families and all classes. Farmers and all laboring men by adopting it as a preventative will be free from Ague or Bilious attacks in that season of the year which is the most sickly. It is the most valuable one to them.
One or two bottles will answer for ordinary cases, some may require more.
Directions printed in German, French and Spanish, accompany each bottle.
Price One Dollar Liberal discounts made to the trade; Trade circulars forwarded on application, and the article will be consigned on liberal terms to responsible parties in every section of the country

HOLD ON!

Ye Lumbermen and Shingle Mongers.
WAIT TILL YOU HAVE SEEN
Stevens & Ridder's Patent
FOR RIVING & SHAVING SHINGLES.

THIS MACHINE has the preference over all other like Machines in the simplicity of its mechanism and the perfection of its work, as well as in the first cost of the Machine, and the economy of running it.

It rives with a blunt and moveable knife, and shaves by passing the shingle between two knives, thereby shaving both sides at the same time, and on a true and equal taper. The Patent has been sold in several counties, and machines are now in operation in Jefferson, Sauk and Portage counties.

This Machine manufactures from 10,000 to 20,000 shingles per day—requires only a two-horse power, and costs $17[illegible].

Again, we say, wait till you see this Machine. A Model of the Machine can be seen at W. F. FLANDERS Office, Ludington's Block, East Water street, where one of the subscribers will be in attendance.

Letter from Mr. Soule.

Washington, March 24.

The National Intelligencer of this morning publishes a letter from Mr. Soule, in relation to the surreptitious correspondence held between Mr. Perry and the Department of State. He says he has no objection to the publication of the correspondence, and that if, in the Secretary of Legation—the man whom he had taken to his bosom—he had a spy and a traitor, it will never hurt him to let the world know *how infamously* the trade was carried on.

The British Recruiting Office in New York.

New York, March 24.

The U. S. District Attorney has addressed a letter to the Marshal of this district, calling his attention to the fact that a recruiting office has been established in this city for the British service, which is in violation of the neutrality laws of 1818, and consequently directs the Marshal's attention to the penalties, and promises his co-operation in any measure that may be taken for the suppression of the office.

The Strike at Manchester.

Manchester, N. H., March 24.

The strike of the operatives continues with unabated determination. Yesterday a procession of full 5,000 marched through the streets, and a meeting of the citizens was held to sympathize with the strikers. The Stark and Manchester mills have closed. The *Amoskeag* is the only mill running. At least 2,000 girls have left Manchester for their homes.

Steamboat Arrangements for 1855.

We learn, on good authority, that arrangements have been concluded for running the several lines of passenger steamers from this port for the coming season. The steamers Crescent City and Queen of the West will form the daily line between this port and Cleveland. An arrangement has been entered into between the New York Central, Cleveland, Columbus and Cincinnati and Mad River Railroads, by which the steamers Mississippi and St. Lawrence, which last year ran from Buffalo and Sandusky, will not be brought out at all, but will remain laid up at Sandusky, and the Cleveland line pay the Sandusky line a certain proportion of the profits which they may earn. The passengers from Cincinnati via the Mad River Road leave at Norwalk per the Cleveland, Columbus and Cincinnati Road, and come into Cleveland on that road. We regret the withdrawal of the Sandusky steamers, but presume it is a matter of necessity. The Southern *Michigan* line will be composed of the same boats as last year, namely, the Southern Michigan, Northern Indiana and Empire State; and the Michigan Central line will have the steamers Western World, *Plymouth Rock* and Buckeye State, which latter boat takes the place of the Mayflower.—We understand that the Michigan Central Road endeavored to charter the St. *Lawrence* to take the place of the Mayflower, but the owners of that boat had not then decided to lay her up, and in the meantime the Buckeye State was chartered. Now that the Lady Elgin has been withdrawn from the *Buffalo and Chicago route*, and placed on the Collingwood and Chicago, we should think the steamers St Lawrence and Mississippi would pay well on the Buffalo and Chicago, and this is about the only route left on which they could run and make money.—[Buffalo Democracy, Tuesday.

WEATHER.—We have a second edition of Winter; a late fall of nearly a foot of snow, and the best sleighing we have had during the season; the last few days have been cold—thermometer below zero several mornings; 16° below, yesterday. More logs are likely to reach the banks in March than any former month of the season. We estimate that 80,000,000 feet of lumber will go out of the Wisconsin the ensuing summer; the quantity of Shingles also will be quite large.—[Stevens Point Pinery, March 22d.

CAPITAL, - - - $2,500,000.

Guarantee Fund, $100,000, Deposited with the Comptroller of the State of New York.

The advantages offered by this Company are many, and the public are invited to call upon the Agent and make themselves acquainted with the System adopted by the Company, when they will be better able to decide whether Life Insurance is desirable or not, and at what Office it is their interest to Insure.

The many reasons why Fire and Marine Insurance should be adopted, are incontrovertible; and Life Insurance, whilst it in no way interferes with, or undervalues these important institutions, has claims which no other system of insurance can have. Human existence must on consideration, enjoy a much higher estimate than worldly property.

Whilst the representative of a family lives, (although, through neglect to insure his *property*, he becomes bankrupt,) he supports his family; but at his *death*, he also their means of support, unless he has saved them from want by an insurance on his *life*, which may be done by the payment of a small annual premium, the payment of which has not diminished his own worldly comforts during life.

If young, the annual payment will be light, and if insured with profits, the policy will be constantly growing more valuable, though the *premium* is not increased.

Clergymen and others who have a stated and regular income, *should insure*, well knowing that, at their death their families may be left destitute.

Men engaged in mercantile or manufacturing pursuits ever varying and uncertain in their issues, *should insure*.

The farmer who has still a mortgage on his farm, *should insure*, at least to the extent of it, thereby enabling his family to pay off the debt in case of his death.

RHODES'

FEVER AND AGUE CURE,

OR,

NATURE'S INFALLIBLE SPECIFIC.

FOR the Prevention and Cure of Intermittent and Remittent Fevers, Fever and Ague, Chills and Fever, Dumb Ague, General Debility, Night Sweats, and all other forms of disease which have a common origin in Miasma or Miasma. This subtle atmospheric poison which at certain seasons is unavoidably inhaled at every breath, is the same in character wherever it exists,—North, South, East or West,—and will everywhere yield to this newly discovered antidote, which is claimed to be the GREATEST DISCOVERY IN MEDICINE EVER MADE.

This specific is so harmless that it may be taken by persons of every age, sex or condition, and it will not substitute for one disease others still worse, as is too often the *result in the treatment by Quinine, Mercury, Arsenic*, and other poisonous or deleterious drugs, not a particle of any of which is admitted into this preparation.

The proprietor distinctly claims these extraordinary results from the use of this NATURAL ANTIDOTE TO MALARIA.

It will entirely protect any resident or traveler even in the most sickly or swampy localities, from any Ague or Billious disease whatever, or any injury from constantly inhaling Malaria or Miasma.

It will instantly check the Ague in persons who have suffered any length of time, from one day to twenty years, so that they need never have another chill, by continuing its use according to directions.

It will immediately relieve all distressing results of Billious or Ague diseases, such as general debility, night sweats, &c. The patient at once begins to recover appetite and strength, and continues until a permanent and radical cure is effected.

Finally, its use will banish Fever and Ague from families and all places. Farmers and all laboring men by adopting it as a preventative will be free from Ague or Billious attacks in that season of the year which while it is the most sickly, is the most valuable one to them.

One or two bottles will answer for ordinary cases, some may require more.

Directions printed in German, French and Spanish, accompany each bottle.

Price One Dollar. Liberal discounts made to the trade.

Trade circulars forwarded on application, and the articles will be consigned on liberal terms to responsible parties in every section of the country.

USE THE

Magic Impression Paper!

For Writing without Pen or Ink, Copying Leaves, Plants, Flowers, Pictures, Patterns for Embroidery, Marking Linen Indelibly, and

MANIFOLD WRITING.

THIS ARTICLE is ABSOLUTELY THE BEST FOR [illegible] table in the known world for a small quantity folded and placed in the pocket constitutes a travelling inkstand which cannot be broken. No pen is needed, for any stick sharpened to a point writes equally as well as the best gold pen in the universe. For drawing it is indispensable. It is, indeed, the whole art of Drawing and Painting—taught in one lesson. Any leaf, plant or flower can be transferred to the pages of an album with a minute and distinct resemblance of nature. With equal facility, pictures and embroidery patterns are taken, and have received the highest eulogiums from the fair sex, and indeed a more tasteful present for a lady could not be produced.

This Magic Paper will also mark Linen, or other articles, so as to remain perfectly indelible. All the washing in the world fails to bring it out. Any CHILD can use it with perfect ease. With this Magic Paper, likewise, one or FOUR copies of every letter written can be secured without any additional labor whatever, making it the cheapest article extant. It is used to great advantage by reporters of the public press, telegraphic operators and hosts of others.

Each package contains four different colors—Black, Blue, Green and Red, with full and printed instructions, for all to use, and will last sufficiently long to obtain Five Hundred distinct impressions.

It is put up in beautifully enamelled colored envelopes, with a truthful likeness of the Proprietor attached. Each and every package warranted.

Price—$2 a Dozen, or, Five for One Dollar. Single Packages, 25 Cents. Address, post paid

There is a summer attachment to the stove which will make half difference less of the amount of fuel used in the Summer season and does away with all unnecessary heat which other stoves make that have not the attachment. PATENT MEDICINES.

CHERRY PECTORAL,

or the rapid Cure of

COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

AMONG the numerous discoveries Science has made in this generation to facilitate the business of life—increase its enjoyment, and even prolong the term of human existence, none can be named of more real value to mankind, than this contribution of Chemistry to the Healing Art. A vast trial of its virtues throughout this broad country, has proven beyond a doubt, that no medicine or combination of medicines yet known, can so surely control and cure the numerous varieties of pulmonary disease which have hitherto swept from our midst thousands and thousands every year. Indeed, there is now abundant reason to believe a Remedy has at length been found which can be relied on, to cure the most dangerous affections of the lungs. Our space here will not permit us to publish any proportion of the cures effected by its use but we would present the following, and refer further enquiry to my American Almanac, which the Agents below named, will always be pleased to furnish free, wherein are all particulars, and indisputable proof of these statements.

Office of Transportation, Laurens R R, S C, Aug 4 53

DR J C AYER. Dear Sir,—My little son four years old, has just recovered from a severe attack of malignant Scarlet Fever, his throat was rotten, and every person that visited him pronounced him a dead child. Having used your CHERRY PECTORAL, in California, in the winter of 1850 for a severe attack of Bronchitis, with entire success, I was induced to try it on my little boy. I gave him a teaspoonful every three hours, commencing in the morning, and by 10 o'clock at night, I found a decided change for the better, and after three days use he was able to eat or drink without pain.

Its use in the above named disease will save many a child from a premature grave, and relieve the anxiety of many a fond parent. For all affections of the Throat and Lungs I believe it is the best medicine extant. A feeling of the deepest gratitude prompts me in addressing you these lines—but for your important discovery, my little boy would now have been in another world.

I am yours, with great respect

Rocky Hill, Somerset Co., N J., July 21, 1852

DR J C AYER —Since your medicine has become known here it has a greater demand than any other cough remedy we have ever sold. It is spoken of in terms of unmeasured praise by those who have used it, and I know of some cases where the best they can say of it is not too much for the good it has done. I take pleasure in selling it, because I know that I am giving my customers the worth of their money, and I feel gratified in seeing the benefit it confers.

Please send me a further supply, and believe me

Yours, with respect, JOHN C WHITLOCK.

P S.—Almost any number of certificates can be sent you if you wish it.

Windsor, C W, June 26, 1855

DR J C AYER—Sir,—This may certify that I have used your CHERRY PECTORAL for upwards of one year, and it is my sincere belief that I should have been in my grave ere this time if I had not. It has cured me of a dangerous affection of the lungs, and I do not overstate my convictions when I tell you it is a priceless remedy.

Yours very respectfully,

D A McCLURE, Attorney at Law

Wilkesbarre, Pa, Sept 28, 1850

DR. J C AYER—My dear Sir,—Your medicine is much approved by those who have used it here, and its composition is such as to insure and maintain its reputation. I invariably recommend it for pulmonary affections, as do many of our principal physicians. I am your friend,

MEXICAN MUSTANG LINIMENT

THIS EXTRAORDINARY MEDICINE IS STILL working wonders throughout the World—eradicating everything in the form of disease that comes within the circle of its influence.

The People Themselves

have long since adopted it as the only external remedy they could rely upon, and the indisputable testimony of thousands is fast sweeping away

The Prejudices of the Faculty.

It is extensively used by the Ladies,
Itis used by Mechanics and Laboring men,
It is used in families and factories
It is used expressly by all Express Companies,
It is used by Farmers and Livery stable keepers,
It is used by everybody, and all speak in its praise,
Where it is used, pain cannot exist,
The benumbed limbs are made elastic,
The deep ulcers and frightful sores are healed,
The unstrung nerves are made to vibrate with joy!

Use the Mustang Liniment,

is the spontaneous advice of all.

It has cured more cases of

Rheumatism

than any other medicine ever used. Its efficacy in this terrible disease is acknowledged by all who have used it. It not only cures the complaint but appears to give vigor and elasticity to the limbs, before unknown—thus performing a double office.

For contractions of the limbs, stiffness of the joints and muscles, hard lumps, swellings and inflamations, it is unrivalled in the power and efficacy of its operations.

For Bruises, Sprains, Cuts, Scalds and Burns, but a few applications are necessary in order to effect a total cure.

Cancer, or Scrofulous Sores, Tetter, Ringworms, Salt Rheum, Scurvy, Erysipelas, Boils, and Eruptions,

can generally be removed in a few days—and the worst cases can be cured in a few weeks at the farthest. Persons afflicted with these diseases, should be careful in getting the right article to cure them.

Use it upon Your Horses,

for spavin, splint, ring bone, fistula, wind galls, big heads, bruises, strains, string halt, scratches, cracked heels, sweeny, saddle, collar, or harness galls, hard lumps or tumors, film or other diseases of the eye, poll-evil, &c.

The finest horses in the city of New York will be found in the stables of the various Express Companies—and they all use

The Mustang Liniment,

totally discarding any other preparations of the kind, and have all given their certificate in its favor.

This we presume will be a sufficient guarantee to induce every one who owns a horse, to give the Mustang a trial.

THERE is no Druggist or Country Store keeper
Who pretends to keep medicine at all,
But what keeps a constant supply of the
Mexican Mustang Liniment.
The small size retail for 25 cents per bottle,
The medium sized retail for 50 cents per bottle,
The large sized retail for one dollar per bottle,
The medium hold three times as much as the small.
The large holds nearly three times as much as the medium,
Therefore the largest bottles are the cheapest.

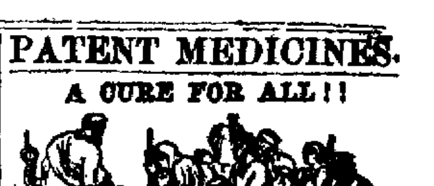
A CURE FOR ALL!!



HOLLOWAY'S OINTMENT.

Citizens of the Union:—

You have done me the honor with one voice, from one end of the Union to the other to stamp the character of my Ointment with your approbation. It is scarcely two years since I made it known among you, and already, it has obtained more celebrity than any other Medicine in so short a period. THOMAS HOLLOWAY,

29 Corner of Ann and Nassau Streets, New York

CURE OF SORE LEGS, AFTER 9 YEARS STANDING.

Mr W J Langley, of Huntsville, Yadkin, North Carolina, suffered for nine years with one of the most painful and troublesome sore legs that ever fell to the lot of man and after trying every medicine he had ever heard of, he resigned in despair all hope of being cured; but a friend brought him a couple of Pots of Holloway's Ointment, which caused the sores on his legs to heal and he entirely regained his health, to the astonishment of his acquaintances and friends.

CURE OF A BAD BREAST, WHEN THE PATIENT WAS AT DEATH'S DOOR.

Mr R DURANT of New Orleans, addressed Professor HOLLOWAY as follows:—For 7 years my wife had a bad breast with ten running wounds, (not of a cancerous nature.) I was told that nothing could save her, she was then induced to use your Ointment and Pills, when in the short space of three months, they effected a perfect cure, to the astonishment of all who knew us. We obtained your Medicines from Messrs. Wright & Co., of Chartres st., New Orleans. I send this from "Hotel des Princes," Paris, although I had written it at New Orleans, before we finally left, not knowing your address at New York.

Nov 9th 1853 (Signed) R DURANT

The Pills should be used conjointly with the Ointment in most of the following cases.—

Bad Legs	Contracted and	Lumbago	Sore throat
Bad Breasts	Stiff Joints	Piles	Skin diseases

HIGHLY IMPORTANT ANNOUNCEMENT.

To the Afflicted Everywhere,

DR. A. L. ADAMS' LIVER BALSAM COMES GREETING!

DR. A. L. ADAMS' NEW CURE FOR DISEASE is awakening the inquiry in the minds of all who read it. How is it that Americans have been so long and so lavishly immured in darkness and ignorance on the subject of disease.

DR. A. L. ADAMS' LIVER BALSAM.

The great Panacea of Disease is offered to you as a total cure of the States and Territories for the entire cure of Liver Complaints in all stages, Billious Fever, Ague and Fever, Chronic Lung Fever, Dyspeptical Affections, Coughs, Consumption, Asthma, Jaundice, Bowel Complaints, Diarrhoea, Dysentery, Rheumatism, Piles, Scrofula, Salt Rheum, Dyspepsia, General Debility, Nervousness, Costiveness, Indigestion, Female Complaints, &c.

Dr A L Adams' Liver Balsam now sustains the highest reputation of any remedy before the public and has proved to the most skeptical, beyond a shadow of doubt that it is the only reliable medicine ever discovered! (being purely vegetable) for the permanent cure of the above disease. The most skeptical have become its most ardent votaries, and pronounce the Liver Balsam to be the only reliable harbinger of health to the afflicted everywhere.

Testimonials come up from every track it has made, swollen with expressions of gratitude for the relief received by its use. And, in submitting this, the Liver Balsam is recommended to those suffering under the iron grasp of the monster disease, and at once procure one bottle of DR. A. L. Adams' Liver Balsam.

The reader's attention is called to the perusal of the Medical Circular, which can be obtained of every agent throughout the United States, giving a clear epitome of the causes and cure of disease; also, of certificates of those who have tested its unparalleled ascendency over the disease to which we are all subject.

USE THE

Magic Impression Paper!

For Writing without Pen or Ink, Copying Leaves, Plants, Flowers, Pictures, Patterns for Embroideries, Marking Linen Indelibly, and

MANIFOLD WRITING.

THIS ARTICLE IS ABSOLUTELY THE BEST PORTABLE Inkstand in the known world, for a small quantity folded and placed in the pocket constitutes a traveling Inkstand which cannot be broken. No pen is needed, for any stick sharpened to a point writes equally as well as the best gold pen in the universe. For drawing it is indispensable. It is, indeed, the whole art of Drawing and Painting—taught in one lesson. Any leaf, plant or flower can be transferred to the pages of an album with a minute and distinct resemblance of nature. With equal facility, pictures and embroidery patterns are taken, and have received the highest eulogiums from the fair sex, and indeed a more tasteful present for a lady could not be produced.

This Magic Paper will also mark Linen, or other articles, so as to remain perfectly indelible. All the washing in the world fails to bring it out. Any child can use it with perfect ease. With this Magic Paper, likewise, one or four copies of every letter written can be secured without any additional labor whatever, making it the cheapest article extant. It is used to great advantage by reporters of the public press, telegraphic operators and hosts of others.

Each package contains four different colors—Black, Blue, Green and Red, with full and printed instructions, for all to use, and will last sufficiently long to obtain Five Hundred distinct Impressions.

It is put up in beautifully enamelled colored envelopes, with a truthful likeness of the Proprietor attached. Each and every package warranted.

Price—$2 a Dozen, or, Five for One Dollar. Single Packages, 25 Cents. Address, post paid

COOK STOVE,

I have sold the B. J. for the past three years. It has been thoroughly tested by thousands who will testify that it is the most complete Cook Stove that can be. I have four sizes of B. J. There is a summer attachment to the stove which will make half difference less of the amount of fuel used in the Summer season and does away with all unnecessary heat which other stoves make that have not the attachment. The oven is much larger than any other stove of the same size furniture. I warrant the stove to give complete satisfaction, if not, to be returned and money refunded. I will refer you to hundreds of the citizens of Milwaukee that are using the Stove.

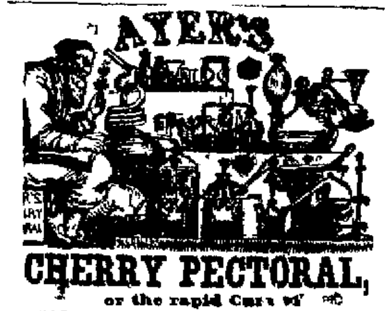
PATENT MEDICINES.



AYER'S
CHERRY PECTORAL,

or the rapid Cure of
COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

AMONG the numerous discoveries Science has made in this generation to facilitate the business of life—increase its enjoyments, and even prolong the term of human existence, none can be named of more real value to mankind, than this contribution of Chemistry to the Healing Art. A vast trial of its virtues throughout this broad country, has proven beyond a doubt, that no medicine or combination of medicines yet known, can so surely control and cure the numerous varieties of pulmonary disease which have hitherto swept from our midst thousands and thousands every year. Indeed, there is now abundant reason to believe a Remedy has at length been found which can be relied on, to cure the most dangerous affections of the lungs. Our space here will not permit us to publish any proportion of the cures effected by its use, but we would present the following, and refer further enquiry to my American Almanac, which the Agents below named, will always be pleased to furnish free, wherein are all particulars, and indisputable proof of these statements.

Office of Transportation, Laurens R. R., S. C., Aug 4 '53

DR J C AYER. Dear Sir,—My little son, four years old, has just recovered from a severe attack of malignant Scarlet Fever, his throat was rotten, and every person that visited him pronounced him a dead child. Having used your CHERRY PECTORAL, in California, in the winter of 1850, for a severe attack of Bronchitis, with entire success, I was induced to try it on my little boy. I gave him a teaspoonful every three hours, commencing in the morning, and by 10 o'clock at night, I found a decided change for the better, and after three days use he was able to eat or drink without pain.

Its use in the above named disease will save many a child from a premature grave, and relieve the anxiety of many a fond parent. For all affections of the Throat and Lungs I believe it is the best medicine extant. A feeling of the deepest gratitude prompts me in addressing you these lines—but for your important discovery, my little boy would now have been in another world.

I am yours, with great respect
J. D. POWELL, Supt Trans., L. R. R.

Rocky Hill, Somerset Co., N. J., July 21, 1852

DR J. C. AYER.—Since your medicine has become known here it has a greater demand than any other cough remedy we have ever sold. It is spoken of in terms of unmeasured praise by those who have used it, and I know of some cases where the best they can say of it is not too much for the good it has done. I take pleasure in selling it, because I know that I am giving my customers the worth of their money, and I feel gratified in seeing the benefit it confers.

Please send me a further supply, and believe me
Yours, with respect, JOHN C. WHITLOCK.

P. S.—Almost any number of certificates can be sent you if you wish it.

Windsor, C. W., June 26, 1853

DR J C AYER—Sir:—This may certify that I have used your CHERRY PECTORAL for upwards of one year, and it is my sincere belief that I should have been in my grave ere this time if I had not. It has cured me of a dangerous affection of the lungs, and I do not overstate my convictions when I tell you it is a priceless remedy.

Yours very respectfully
D. A. McCLURE, Attorney at Law

Wilkesbarre, Pa., Sept 28, 1850

DR. J. C. AYER—My dear Sir:—Your medicine is much approved by those who have used it here, and its composition is such as to insure and maintain its reputation. I invariably recommend it for pulmonary affections, as do many of our principal physicians. I am your friend,

MEXICAN MUSTANG LINIMENT

THIS EXTRAORDINARY MEDICINE IS STILL working wonders throughout the World—eradicating everything in the form of disease that comes within the circle of its influence.

The People Themselves

have long since adopted it as the only external remedy they could rely upon, and the indisputable testimony of thousands is fast sweeping away

The Prejudices of the Faculty.

It is extensively used by the Ladies,
It is used by Mechanics and Laboring men,
It is used in families and factories.
It is used expressly by all Express Companies,
It is used by Farmers and Livery stable keepers,
It is used by everybody, and all speak in its praise,
Where it is used, pain cannot exist,
The benumbed limbs are made elastic,
The deep ulcers and frightful sores are healed,
The unstrung nerves are made to vibrate with joy!

Use the Mustang Liniment.

is the spontaneous advice of all.

It has cured more cases of

Rheumatism

than any other medicine ever used. Its efficacy in this terrible disease is acknowledged by all who have used it. It not only cures the complaint but appears to give vigor and elasticity to the limbs, before unknown—thus performing a double office.

For contractions of the limbs, stiffness of the joints and muscles, hard lumps, swellings and inflammations, it is unrivalled in the power and efficacy of its operations.

For Bruises, Sprains, Cuts, Scalds and Burns, but a few applications are necessary in order to effect a total cure.

Cancer, or Scrofulous Sores, Tetter, Ringworms, Salt Rheum, Scurvy, Erysipelas, Boils, and Eruptions,

can generally be removed in a few days—and the worst cases can be cured in a few weeks at the farthest. Persons afflicted with these diseases, should be careful in getting the right article to cure them.

Use it upon Your Horses,

for spavin, splint, ring bone, fistula, wind galls, big heads, bruises, strains, string halt, scratches, cracked heels, sweeney, saddle, collar, or harness galls, hard lumps or tumors, film or other diseases of the eye, poll-evil, &c.

The finest horses in the city of New York will be found in the stables of the various Express Companies—and they all use

The Mustang Liniment,

totally discarding any other preparations of the kind, and have all given their certificate in its favor.

This we presume will be a sufficient guarantee to induce every one who owns a horse, to give the Mustang a trial.

THERE is no Druggist or Country Store keeper
Who pretends to keep medicine at all,
But what keeps a constant supply of the
Mexican Mustang Liniment.
The small size retail for 25 cents per bottle,
The medium sized retail for 50 cents per bottle,
The large sized retail for one dollar per bottle,
The medium hold three times as much as the small.
The large holds nearly three times as much as the medium,
Therefore the largest bottles are the cheapest.

A CURE FOR ALL!!

HOLLOWAY'S OINTMENT.

Citizens of the Union.—

You have done me the honor with one voice, from one end of the Union to the other, to stamp the character of my Ointment with your approbation. It is scarcely two years since I made it known among you, and already, it has obtained more celebrity than any other Medicine in so short period. THOMAS HOLLOWAY,

CURE OF SORE LEGS, AFTER 9 YEARS STANDING.

Mr W. J. Langley, of Huntsville, Yadkin, North Carolina, suffered for nine years with one of the most painful and troublesome sore legs that ever fell to the lot of man, and after trying every medicine he had ever heard of, he resigned in despair all hope of being cured; but a friend brought him a couple of Pots of Holloway's Ointment, which caused the sores on his legs to heal and he entirely regained his health, to the astonishment of his acquaintances and friends.

CURE OF A BAD BREAST, WHEN THE PATIENT WAS AT DEATH'S DOOR.

Mr. R. DURANT, of New Orleans, addressed Professor Holloway as follows:—For 7 years my wife had a bad breast with ten running wounds, (not of a cancerous nature.) I was told that nothing could save her; she was then induced to use your Ointment and Pills, when in the short space of three months, they effected a perfect cure, to the astonishment of all who knew us. We obtained your Medicines from Messrs. Wright & Co., of Chartres st., New Orleans. I send this from "Hotel des Princes," Paris, although I had written it at New Orleans, before we finally left, not knowing your address at New York.

Nov 9th 1853 (Signed) R. DURANT

The Pills should be used conjointly with the Ointment in most of the following cases.—

Bad Legs	Contracted and	Lumbago	Sore throat
Bad Breasts	Stiff Joints	Piles	Skin diseases
Burns	Fistulas	Rheumatism	Scurvy
Bunions	Gout	Salt Rheum	Sore heads

DR. A. L. ADAMS' LIVER BALSAM COMES GREETING!

DR. A. L. ADAMS' NEW CURE FOR DISEASE is awakening the inquiry in the minds of all who read it. How is it that Americans have been so long and so lavishly immured in darkness and ignorance on the subject of disease.

DR. A. L. ADAMS' LIVER BALSAM.

The great Panacea of Disease is offered to you as a … of the States and Territories for the entire cure of Liver Complaints in all stages, Bilious Fever, Ague and Fever, Chronic Lung Fever, Dyspeptical Affections, Coughs, Consumption, Asthma, Jaundice, Bowel Complaints, Diarrhœa, Dysentery, Rheumatism, Piles, Scrofula, Salt Rheum, Dyspepsia, General Debility, Nervousness, Costiveness, Indigestion, Female Complaints, &c.

Dr. A. L. Adams' Liver Balsam now sustains the highest reputation of any remedy before the public and has proved to the most skeptical, beyond a shadow of doubt, that it is the only reliable medicine ever discovered (being purely vegetable) for the permanent cure of the above diseases.
